Additions to Hospital to be Asked in Fall

Directors Prepare \$250,000 Bond Issue for Enlargement

Board of directors, Desert Hospital district, Monday unanimously voted to plan for a \$250,000 bond issue to provide funds for the erection of an addition to Desert hospital. Date of the election was tentatively set for next fall. This proposed addition would provide for an additional 20 beds and other facilities to the present unit which has 38 beds and six bassinets.

AN OVERLOADING of present facilities for the past two years was cited as the reason for action by the directors.

During the busy months it has been necessary to hospitalize patients in the hospital corridors, and many other potential hospital patients have been treated in hotels or their homes because hospital beds were not available, it was explained.

DIRECTORS SAY THAT the bond issue should in no way result in any additional increase to the taxpayers of Desert Hospital district, due to the efficient management of the hospital under the direction of Administrator Robert E. Henwood.

Prior to action by the board, a survey as to the need for additional facilities was conducted by Henwood among doctors in the area. This survey revealed that in this fast-growing community the additional 20 beds will soon be utilized.

Local Boy Wins District Poppy Contest Honors

Myron Ferderer, fourth grade student at Frances S. Stevens school, won top honors in Class I in the 21st district, American Legion Auxiliary Poppy Poster contest, according to word to Owen B. Coffman Post, 519, Auxiliary unit this week.

His poster, which placed first in the district, will compete in the state contest at San Diego in June.

Beverly Gaskell, Palm Springs high school student, placed second in Class III in the district contest.

The district includes Riverside and Orange counties.

District prizes and awards of the local unit will be presented to the winners at closing exercises of the schools.

Tribal Council to Ask Election on Airport Proposal

Tribal Council, Agua Caliente Band of Mission Indians, Tuesday decided to submit to members of the tribe the question of whether they desired to sell the airport property.

The election has been set for the latter part of June. City council at its May 3 meeting requested that an appraisal be conducted, with the city having one appraiser, the Indians another, and the two selecting a third.

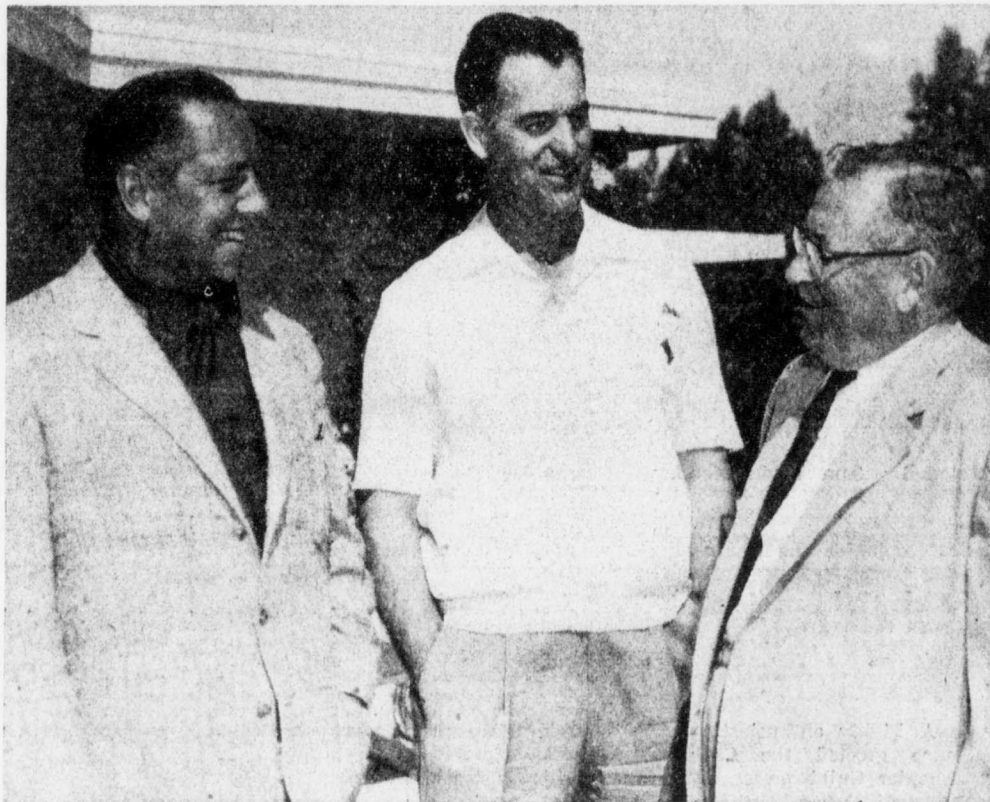

Council Approves Paving of South Half of Ramon Road

Paving of the south half of Ramon road under its major thoroughfare development as the gas tax project for this year was approved by city council Tuesday evening by a 3 to 2 vote, with Councilman Earle Strebe not voting.

Council previously had approved the project, which called for paving of the center strip as the first half of a two-year project.

VOTING for the revised project were Councilmen Ted McKinney, Jerry Nathanson and Ruth Hardy with Mayor Florian Boyd and Frank Miller being the dissenters.

Under the revised plan, as proposed by Public Works Director Frank Hamerslag, the present roadway of Ramon road would be paved all the way from Indian avenue to Sunrise Way, with the first half mile only to include curbs. This will

Record Vote Expected for School Board

Two places on the board of education of Palm Springs Unified school district will be filled tomorrow at the annual election with six candidates in the field.

Seeking positions on the board are:

Mrs. Helen Staley, incumbent. Paul Traver, incumbent. Saul Ruskin, attorney. Dr. Julius L. Kaplan, dentist. Frank A. Muller, hotel owner. David M. McGahey, attorney.

A RECORD TURN-OUT of voters is expected for the election because of the large number of candidates and the interest in the \$2,125,000 building program the board will handle in the coming months.

Three polling places have been designated for the election. The polling places will be open from 7 a.m. to 7 p.m.

IN PALM SPRINGS, voters from all city precincts will vote at Frances S. Stevens school.

Residents of the Desert Hot Springs district including precincts north of Palm Springs, vote at the Desert Hot Springs school.

Residents of Cathedral City precincts and in the territory to the east of Palm Springs city, will vote at Cathedral City school.

The campaign, quiet up to this week, was enlivened Tuesday when Dr. Julius Kaplan, one of the candidates, addressed voters with queries on the salary of \$19,500 to Dr. Wallace Muelder, new district superintendent.

He compared it with salaries paid in larger cities.

Paul Traver, incumbent, said that the board had been told to "get the best man possible," and it did.

EL MIRADOR PREPARES EXPANSION PROGRAM

El Mirador hotel's winter season just closed was the most successful in its history under the operation of the National City Hotels, incorporated, according to an announcement by E. Roy Fitzgerald, president.

In making the announcement Fitzgerald also declared that Frank Bogert, who managed the hotel for a short period during the 1953-54 season and throughout the current season just closed, will again return in that same capacity when the hotel swings its doors open October 11.

IN ADDITION, the president of the hotel corporation said that the approximately five acres of land west of Indian avenue, with part of it in the form of a parkway, will be developed.

The latter involves construction of new deluxe apartments and hotel rooms to considerably increase the housing capacity of El Mirador. This expansion program is expected to cost more than \$1,000,000, was reported. Williams, Williams & Williams, architectural firm, is presently engaged in the drafting of plans for the new structures.

"FROM THE FIRST DAY I set foot in Palm Springs I have been completely optimistic about the future of this great resort community," declared Fitzgerald. "I believe that feeling has been borne out since the purchase of El Mirador hotel more than three years ago by National Hotel Enterprises.

Executives of the hotel were profuse in their thanks to city officials and the people of Palm Springs for their support and encouragement during the season just closed.

We'll see our first guests walk through the front door of El Mirador hotel October 11," Bogert declared.

Requested increase in rates by the Palm Springs Community Television Corporation is expected to go into effect on July 2, 60 days after the original application, with city council Tuesday evening declining to take any action on the matter.

City Manager R. W. Peterson recommended that the request not be denied, after reporting to council on a certified audit submitted by the firm.

THE AUDIT, he said, revealed that the company showed a loss during the past year of more than \$100,000, without depreciation, and even with the rate increase would only near the break-even mark this year, again not counting depreciation.

In view of the fact that the franchise provides for a fair and reasonable return, "I can only recommend that the increase not be denied," he said.

The new rate schedule, when effective, would increase the residential rate from \$5 to \$7 monthly, and provides for a corresponding increase in other service charges.

TWO COMMUNICATIONS were read at the meeting, a protest from the Palm Springs Hotel and Apartment association, and a letter expressing approval of the increase from Joseph J. Malone, 1961 Desert Palms drive.

The association said that the increase was "unjustified and not in the public interest" while Malone cited the value of television in attracting residents and visitors.

Councilman Earle Strebe expressed the consensus of council with, "we have no other choice," meaning that the corporation was legally entitled to the increase.

Action was postponed until the current state project involving the widening and repaving of South Palm Canyon drive is settled.

The North Palm Canyon work was among items discussed recently by city officials with State Traffic Engineer Loren Moore, according to City Manager R. W. Peterson. Moore was here to confer with local officials on traffic recommendations made by the Southern California Auto Club's public safety department.

As a result of the conference and further study, one-way streets, striping of Palm Canyon drive north of Tamarisk to four lanes, and traffic signals seem impractical at this time, Peterson said.

Council Asks Appraisal of Two Golf Course Sites

Every Action to Gain Land to be Taken

Architect Bell Turns in Report on Local Survey

Appraisal of two proposed municipal golf course sites was authorized by city council Tuesday evening, and City Manager R. W. Peterson was directed to "pursue every avenue and every way to acquire land," for this project.

The appraisals are expected to be started as soon as approval and cooperation can be secured from the Indian owners involved.

THE TWO SITES, both highly recommended by the noted golf course architect, William Bell, Jr., are located in Sections 35 and 26.

The action regarding Section 35 was a complete reversal of the last meeting, when a 3-3 vote stalemated any action. Mayor Florian Boyd, who had vigorously opposed the appraisal at the previous session, announced that he was withdrawing his objection.

"I'll go along with proposals anywhere to try to get some land," Boyd said. "I think council is in favor of any action which would enable us to acquire land for a municipal golf course."

THE APPRAISAL VOTE had opposition though, with Councilman Frank Miller saying he was voting "no" because an appraisal of Section 26 would be a waste of the taxpayers' money as it was sure to result in a prohibitive figure.

Section 26 site had been all but forgotten by councilmen, as a result of recent action by the Indian owners which set a minimum price of \$3,000 per acre on the land involved, with the city having to agree to this before any appraisal would be made.

BUT AN OFFER to rescind this action was made Tuesday afternoon to Peterson by one of the Indians involved, and in the end the matter was renewed. The appraisal is expected to near, or even exceed the \$3,000 figure, but the possibility of a donation, besides financing of the project, by Smoke Tree residents will be explored in the current study. It was pointed out by various councilmen, including Earle Strebe, that even though the city had dropped the site from serious consideration, several Smoke Tree residents had continued to work toward its attainment.

Another site is expected to be seriously considered, in Section 13, where the city owns 100 acres adjacent to the airport. Peterson told of meeting with A. R. Simon and Merrill Brown of the Sands Realty company, and that they would be receptive to negotiations relative to the city purchasing an additional adjoining 40 acres. No price was mentioned, the city manager said, but the two company officials wanted it publicly known that the offer to negotiate had nothing whatsoever to do with their request for rezoning of the area.

A COMPLETE REPORT on the usability of the seven sites was expected.

Rehearing of Redistricting Suit Granted

Attorney Leonard Bock, representing plaintiffs in the redistricting suit against the City of Palm Springs, announced yesterday that Judge Russell Waite has granted a rehearing of the case in superior court on Thursday, June 9.

Judge Waite last week dismissed the action filed by Bock, ruling in favor of the city.

Basis of the rehearing, according to Bock, is for clarification on certain facts and points of law, and to ascertain whether there is sufficient cause for reversal of his ruling.

Oral arguments will be presented by Bock and City Attorney Jerry Bunker during the hearing.

Bock in the suit had asked for a writ of mandamus to have city council declare the redistricting ordinance adopted, or show cause why not.

Second Round in Polio Series on Wednesday

Second round for first and second grade students in the Salk vaccinations against poliomyelitis will be given here Wednesday, May 25, it was announced today by Mrs. Marjorie Caylor, Riverside county public health nurse, and Miss Ann Donahue, school district nurse.

The previous schedule of inoculations will be repeated, with Katherine Finchy, Thousand Palms, Desert Hot Springs, St. Theresa, Chase School students going in the morning, starting at 9 a.m., and Cathedral City pupils going to Cahulla school in the afternoon, at 1 p.m.

Only children whose parents have signed consents for the second round will be given the vaccinations. There are 292 of these, according to Miss Donahue, only a slight reduction from those who received the first inoculation.

Each child must have three vaccinations before the immunization process is complete.

Parking Plan Hearing Set for June 7

Public hearing on the proposed off-street parking district was continued by city council Tuesday evening, together with the right to file protests, in order that negotiations may continue with Mutual Enterprises, Inc., owner of the property. Time of the next hearing was set for 8:20 p.m., Tuesday, June 7.

A meeting is scheduled this afternoon at which time city officials and Attorney Jerome Richardson, representing A. M. Liebling, president of Mutual Enterprises, are expected to discuss the possibility of increasing the width of the Palm Canyon frontage.

ORIGINAL PLANS called for the city to take 180 feet depth from Indian avenue, which would leave only 100 feet depth on the Palm Canyon frontage, according to A. M. Liebling. The property faces on Tahquitz drive. "Under no conditions will we mutilate or kill our property by letting the city take 180 feet," he said following the meeting.

If this was done, he continued, it "would leave us with only enough space for midgeet stores, as an area would have to be provided for loading and employ parking, as well as 10 feet for a setback."

LIEBLING SAID that the price will probably not be discussed at today's meeting. A recent appraisal by the city See PARKING, Page 6a

37 Donate Blood on Visit of 2-County Bank Here Monday

Best response ever given a Blood Bank visit at Desert hospital came Monday when 39 persons offered to donate blood and 37 were accepted.

Quota for the monthly visits is 25 pints, and this is seldom reached or surpassed.

Hospital Administrator Robert Henwood termed the response as "most gratifying, and just wonderful."

"The medical staff and administration are very pleased with the turnout," Henwood continued.

Two recent accidents have caused the public to become

Tram, Movie, Charter Given County Group

Associated Chambers of Commerce of Riverside county heard the latest reports on the Mt. San Jacinto Tramway from Earl Coffman, heard data on the progress of the campaign to obtain a charter form of government for the county and witnessed a showing of the film, "Palm Springs, Desert Oasis."

Coffman said that the economic survey revealed that the Tramway would be a paying proposition and that negotiations for sale of revenue bonds (as detailed in The Desert Sun May 5) were under way.

Howard Barrett, chairman of the Charter committee, said that 7000 of the necessary 12,000 signatures to call an election of freeholders to draw up a county charter had been obtained and said that 147 petitions on which he had no report were still out. County Supervisor Homer Varner said that he hoped that the charter election could be held this fall, in September or October.

Ray Corliss of the Chamber of Commerce described the Palm Springs film.

SASHES STOLEN

Theft of two window sashes and two saw horses from the yard of their home at 1093 Buena Vista, was reported to police Tuesday morning by Mrs. Ann Portnoy.

Final visit of the Riverside-San Bernardino two-county unit until Fall will be Monday, June 27, from 11 a.m. to 1 p.m.

"Blood will continue to be available to persons in need," Henwood said, "but unless a private blood bank is established it will be necessary during the summer months for persons wishing to donate blood to go to San Bernardino."

Reservations for the June visit may be made by calling the hospital, 2251.

Villagers Return from 25th Annual Visitadores Ride

Thirteen Villagers and Winter residents are back from the 25th annual Los Rancheros Visitadores ride from Santa Barbara with reports of a highly successful trek.

Those from Palm Springs who made the trip were Frank Bogert, George C. Rasmussen, Ed Houghton, Trav Rogers, Jim Chandler, Ray Ryan, Olen Sharp, Earl Henderson, Johnny Boyle, Mickey Finn, Tex Kidwell, N. K. McDonald, Fred Ross.

Rasmussen is the oldest Visitadores rider from the local area in point of years, having first taken the trip back in 1931.

Announce Cast for Next Play by Players Stage

Palm Springs PlayerStage, now in full rehearsal for their forthcoming production of Joseph Kesselring's comedy success "Arsenic and Old Lace," which marks the first of the scheduled summer productions on the PlayerStage year round production schedule, has the large cast of resident actors really in the casual Palm Springs manner. Martin Beck and Lee Krikorian co-producers have arranged a schedule of out-of-door patio rehearsals with refreshments. This adds to the intimacy and growing closeness of the fast growing local theater group.

"Arsenic and Old Lace" opens for a two weekend run on the stage of the American Legion Auditorium on Friday May 27 and plays May 27, 28, 29, and the following weekend June 3, 4, 5. Tickets are on sale at the Palm Springs Drug Co., Palm Springs Music, Village Pharmacy, Ramon Drug. Reservations may be made by phoning 7280.

Visitor Runs Into Trouble in Village

A Playa del Rey visitor Saturday was arrested on a drunkenness charge and also for taking an automobile for temporary use and operation.

George Phillip Markley, 39, was arrested by police on the drunkenness charge, and the automobile he had with him at the time was owned by someone else. It had been taken from a restaurant parking lot by Markley, police charge.

Target Practice Ends in Hospital

A 16-year-old Banning youth Joe Dominguez, suffered a flesh wound in the right thigh Sunday afternoon in an accidental shooting while engaged in target practice with three friends near the Tony Torro residence along South Palm Canyon drive.

He was given emergency treatment at Desert hospital, where his condition was described as good, and then transferred to San Geronimo Pass Memorial hospital in Banning.

The person who had the .22 caliber gun when it discharged was Vincent Gonzales, 18, 455 Sandy drive. He, Dominguez, Daniel Camarzo of Banning, and Russell Estrada, 750 East Andreas road, told investigating officers that the gun was cocked but that the safety catch was on at the time. A check of the rifle proved the safety catch to be faulty.

Another Tract is in DHS District

Third unit of a new subdivision being developed by the Realty Company of America at Desert Hot Springs, was accepted into the Desert Hot Springs Water District board of directors meeting Friday night. It marks the fifth subdivision which has been annexed to the district.

BILTMORE PRESS PARTY hosted by Sam Levin Monday night saw more than fifty guests representing the newspapers, radio and hotels present. The event was a kick-off for The Biltmore's launching of its third summer season. From left to right: Bill Rashall, R. F. (Phat) Graettinger, of The Desert Sun;

Throng Thrilled by Young Pianist

Members of the local press and radio who gathered at the Biltmore hotel Monday evening at a cocktail party hosted by Sam Levin were treated to a rare musical treat.

During the cocktail hour which commemorated the third summer season's continuation of operation saw Michel Rubini, 12 year old son of Jan Rubini, famed violinist, sit down at the grand piano to perform in such a manner as to hush the crowded room.

The youngster showed a finely developed sense of music appreciation and this was indicated in his renditions of Toccata by Kachaturian and Rachmaninoff Prelude in C minor. The 12-year old imparted his evident love of music in his playing of the two intricate pieces of music to a degree that if one did not know a 12 year old boy was playing, it would have been presumed that a famed pianist was at the keys.

And by the way, the Summer kick-off of the Biltmore's summer operation was a huge success.

Children's Theater Guild Delightful in 'Little Princess'

A highly enthusiastic audience greeted the Children's Theater Guild presentation of "The Little Princess," by Frances Hodgson Burnett, at Frances Stevens school Friday night.

There was considerable surprise among those of the audience that anything as finished and professional in the way of a children's theatre group had been developed in Palm Springs. Spontaneous applause

throughout the play recognized individual performances and was highly appreciative and encouraging to the young actors and actresses after each curtain.

Under the direction of Mrs. Edith Kopelson, the group already is laying plans for the fall which will begin their sixth season.

The short musical interlude presented by 12 year old Edward Dominguez also was enthusiastically received. He played four Schubert numbers and Heller's Warrior's Song.

Five Dwellings Started in Week

Five dwellings were started in Palm Springs during the week ending May 17 with total value of permits issued in that period, \$107,900.

Permits issued by the city department of building for the week went to:

Tamarisk Court, L. M. Cominator, 275 Tamarisk road, A. B. Crist, Addition, \$5000.

Arthur Greenfield, 241 Camino Norte, Ryan & Ryan, \$25,000.

O'Donnell Golf Club, Belardo road, H. L. Hansen, garage, work rooms and store rooms, \$4000.

John M. Anslinger, 632 Indian Trail, Dwelling \$17,000.

James I. Cavett, 1481 Fiesta road, Dwelling, \$17,000.

Zoning Appeal Rejected by City

An appeal by Ruby Hoppe of a planning commission turn-down of a zoning ordinance amendment, was denied by city council Tuesday evening.

Mrs. Hoppe had sought to establish a plant nursery in a restricted zone, under limited conditions.

Mayor Florian Boyd, during the public hearing, told council that Mrs. Hoppe did not have a lease on the property in question, nor a commitment by the owners to that effect.

Blind Corners to be Eliminated

Elimination of "blind corners" on Tamarisk road between Indian avenue and Via Miraleste moved one step closer reality Tuesday evening, with city council voting \$1135 for the project.

Property owners have yet to be contacted, and as many "blind corners" will be eliminated as possible by rounding off walls, re-locating hedges and by reduction in the height of hedges, all at city expense. Approval of the property owners must be secured before any action is taken.

Eight properties are involved, according to Public Works Director Frank Hamerschlag.

SETTLE LAND SUIT BUT CONFUSION LINGERS ON

By DON KLOTZBUECHER

The settlement has been affected, but the confusion still reigns.

This is in regard to the suit filed by Margaret and John Joseph Andreas, plaintiffs, against Jerry Nathanson, local real estate broker and city councilman, and five unnamed John Does, seeking rescission of certain land sale contracts and damages for fraud.

The civil suit was never brought to trial after being filed March 14, and no verification could be found that Nathanson or his attorneys were ever served.

NEGOTIATIONS brought about the settlement between the parties concerned, and the two parties requested the court that the suit be dismissed with prejudice, which was done. Under this procedure, no further action can be taken by either side in regard to matters contained in the suit.

The four settlement conditions were:
The escrow covering five acres of land located on Ramon road (where the Masonic building is located) was cancelled, by mutual agreement of the proposed purchaser, Nathanson, and the seller, Margaret Andreas.

That two two-acre parcels were retained by Nathanson, and his notes given therefor were secured by trust deeds on the said two parcels.

A MUTUAL RELEASE was signed and delivered by Nathanson and John and Margaret Andreas recognizing full settlement and release as between all parties.

The action was dismissed with prejudice.

Attorney Warren Slaughter represented the plaintiffs, and Attorneys Jerome Richardson and Benjamin Henderson acted on behalf of Nathanson.

The suit charged Nathanson and other defendants with telling the plaintiffs that the "fair market value" of the five-acre parcel "was not in excess of \$15,000," when it had a "fair market value of \$35,000."

This point held the main interest in the suit, and was the one around which the most confusion reigns.

Nathanson says that the defendants were granted fee patents for their property only after sales had been arranged, and had received the approval of the local Indian office, the Sacramento Area Office of the Bureau of Indian Affairs, and from Washington, D. C.

His offer of \$15,000 was about \$1800 more than the appraised figure on record in the local Indian office, he continued.

"AND THE GOVERNMENT insisted that the defendants have a bonafide sale for all their lands before a fee patent be approved, because of the advanced ages of the defendants," Nathanson said. "I don't know about other cases of fee patent, but in this one it was a requirement."

This was in direct contrast to statements made by Ned Mitchell, local Indian agent:

"It is the policy of the Bureau of Indian Affairs, including

the local office in Palm Springs, that the issuance of a fee patent to an Indian is not dependent upon a pending sale. A fee patent is issued on the premise that the applicant is competent, and will retain ownership of the land or dispose of it in a manner consistent with his best interests.

"THIS OFFICE has no jurisdiction over land after a fee patent is granted."

Mitchell said that the appraisal figure referred to by Nathanson was made in 1949. The Bureau of Indian Affairs requires, he said, that an appraisal be made within three months of conveyance of any property over which the Bureau retains jurisdiction.

The settlement has been made, but the confusion still reigns.

Council Renews Health Contract

City council Tuesday evening authorized renewal of its contract with Riverside county for public health and sanitation services, effective for one year from July 1.

Lions to Install Officials Tonight

There will be no meeting of Palm Springs Lions club this noon in the Starlite Room of the Chi Chi. Instead the club will meet in their annual Ladies Night Installation dinner at Deep Well Inn starting at 7:30.

Judge E. E. Theriault will take over the gavel as president, from Jimmy Cooper. Dancing will follow the dinner.

New Offer of Site for City Hall Discussed by Council

Interest in a site for new city offices was revived by city council Tuesday evening, during discussion over the proposed location of a municipal golf course.

City Manager R. W. Peterson told of A. R. Simon and Merrill Brown of the Sands Realty company expressing interest in selling to the city 10 acres of land fronting on Ramon road, between the high school and St.

Theresa Parochial school. This offer was made along with an expression of willingness to negotiate with the city for 40 acres which could be used for a municipal golf course, to be located in Section 13.

Mayor Florian Boyd and Councilwoman Ruth Hardy expressed immediate interest in the city hall site, and joined by other members of council, asked Peterson to start negotiations in order to determine the valuation of the acreage.

RE-ELECT WEINGARTEN LITTLE LEAGUE HEAD

Al Weingarten was reelected president of the Palm Springs Little League at the organizational meeting of directors and managers held Tuesday evening.

Other officers named were: Russ Landrus, vice president; A. R. Simon, secretary; Lucille Mitchell, recording secretary; Harold West, treasurer; Scott Thompson, commissioner; and Julie Edelstein, official scorer.

CLUBS THIS YEAR. Sponsors and managers are: Junior Police, Palm Springs Police Officers' association, Meredith Helm and Sid Canales; Boys Club, Palm Springs Water company, Chuck LaPrantz and Gene Holmes; Cinema Stars, Earle C. Strebe Theaters, Warren Ohler and Don Bottorff; Braves, Fred Hathaway and Desert Inn Garage, Mark Hopp and Jack Moore.

Annual auction of new players was conducted by the clubs during the meeting with the following purchases being made by managers:

Junior Police—Steven S. Rosen, Paul Besos, Charles B. Briley, Jerry Heffner, Paul Thompson, Terry Oliver, Chuck Mantley, Bobbie Driskell, James Copeland, Earl Sutton Jr., John Carter Jr., Joe Penabier, Philip Singler and Jonathan Shedder.

Hathaway-Desert Inn Garage—Paul Perry, Victor Martin,

Moses Marquez, Larry Nelson, Edward Pernet, Duke Patane, Brad Harding and Warren Dur-

Boys Club—Geoffrey Esbitt, Manuel Lopez, Don H. Brown, Ernie Reyes, Sidney Sanders, Alan Russell, Peter C. Sandoval, Dallas Levert, Bruce M. Dalley, Noel Miner, David O. Clark, Sandy Garby and Roy Crawford.

Cinema Stars—James C. Wall-ton, James Crawford, James Koedyker, Michael Houston, Glen Torres, Don Mason, Gary Hecht, John Svenneby, Michael Snyder, Jerry Willingham, Dennis E. Strebe and Benton Beckley.

ALL OTHER NEW BOYS who registered will be assigned to teams at the practice session at the Polo Grounds Saturday morning, and all players from last year who are still eligible will report to their same squads.

All players are to report at the Polo Grounds at 8 a.m. Saturday.

Practice sessions will be held the next two Saturdays, with league play scheduled to start Friday, June 3. Doubleheaders will be played on Monday and Friday evenings until the season ends August 1.

The Little League is run in cooperation with the city recreation department.

Suds Drop Back to Second Place

Seattle Rainiers, watched by many local fans as "home team" because they do their Spring training here, were in second place in the Pacific Coast League at the end of the sixth week of play.

While the Rainiers and Los Angeles were fighting it out last week for the top spot and splitting even 4 games each, San Diego, 1954 champions, slipped by them both.

This week the Rainiers meet Portland at home.

Indians to Close Season Friday

Palm Springs high school baseball team will close its season Friday with a game at San Jacinto.

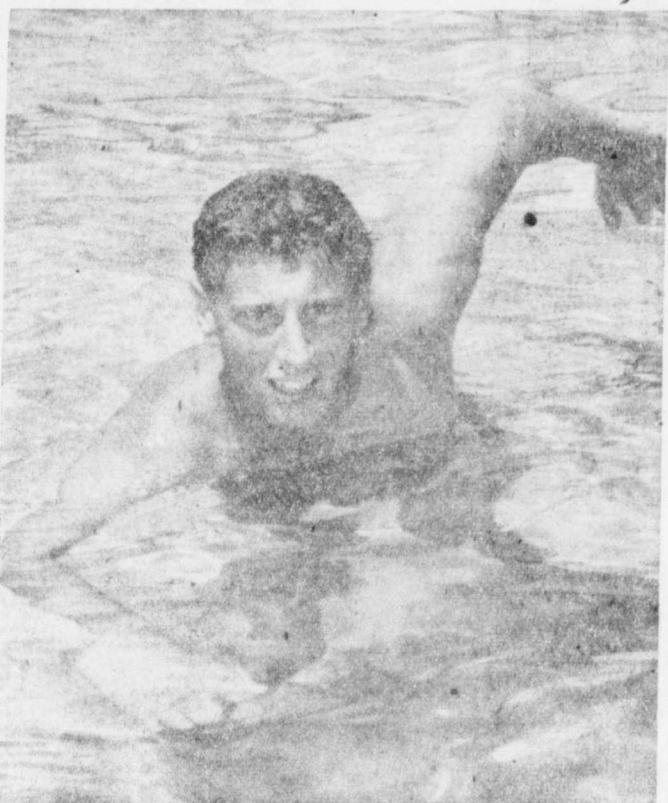

The Indians have yet to win a game this year.

Other final Riverside County League contests have Beaumont at Banning, Hemet at Coachella, and Perris at Elsinore.

REFUNDS VOTED

Refund of sales tax security deposits authorized by city council Tuesday evening were to Roberta Fittinger, portrait artist, \$24.21; Alex Good, Good's Yardage, \$50, and Dudley Daneman, Dudley's Richfield Service \$26.60.

SALTON SEA SWIM Johnny Ravese, 17-year-old Palm Springs high school swimming star, has been changed from Saturday to Sunday because of difficulty in securing boats. He will leave from the Salton Sea Yacht Club on Highway 99 between 7 and 8 a.m., and expects to travel the 10.5 mile distance to Helen Burn's Salton Sea resort by 1 p.m. Three boats will accompany him on the trip. Ravese is the first teenager to attempt the swim, and he will make the return trip if he feels strong enough and the weather is good.

Pat Martin Retains Crown in Local Yokel Tournament

Pat Martin repeated as low gross champion in the annual Local Yokel Golf tournament held at O'Donnell Golf Club over the weekend, putting together rounds of 67 and 70 for a total 36-hole score of 137.

In second place was Dale Anderson of El Mirador Hotel, who also had a 67 the opening day, and then dropped to a 78 on Sunday. His total score was 145.

Other over-all low gross leaders were: Ken Evans 71-76, and Milt Hicks 75-72, tied for third at 147; Freeman Gosden, 151; John Wood and Alvin Vogt, tied for sixth at 154.

LOW NET WINNER was Jess Medaris with 134. He had rounds of 78 and 84, with an 18-hole handicap of 14. Tied for second were Glenn Thomas and Gosden with 135, and other leaders were: Ken Evans 137; E. W. Clark and Russell Wade 138.

By divisions, winners were: (0 to 12 handicap) low gross,

Indians Lose to Beaumont 7-6 in Final Inning

Palm Springs Indians came closer Monday when they met Beaumont high at Beaumont in a Riverside County League baseball game but not close enough. They lost by one run in the last half of the last inning. The score was 7 to 6.

So far in league competition, the local nine has not won a contest.

The Warriors got away to a 5-0 lead in the first two innings but then bogged down while Beaumont pecked away and whittle it down until finally they went ahead by one run in the sixth.

The Indians came back with one run in the seventh to tie it up. In the bottom half of the final inning, after two were out, Beaumont sent across the winning marker.

The line score:
Palm Springs ... 320 000 1-6 4 5
Beaumont ... 020 022 1-7 9 7
Del Campo, Judd (4) and Reyes; Joslin, Partain (7) and Ochea.

Annual JC Golf Tourney Slated

Annual Junior Chamber of Commerce golf tournament will be held Saturday and Sunday at O'Donnell Golf Club, with Fritz Blotter general chairman of the event.

Warren Strebe is defending champion.

The men will play 18 holes of golf on Saturday, and then on Sunday members and their wives will play in a Scotch Mixed Foursome event.

Fifty persons are expected to compete in the tournament.

Softball Teams in Competition

Two exhibition games involving teams in the Desert Softball League are scheduled this week, City Recreation Howard Haddock announced.

Thursday night, Mhoon and Mhoon will travel to Indio to meet the Indio Merchants at 8 p.m., and on Friday night Desert Hot Springs will host the Palm House in the first practice game of the season there.

under consideration, as given verbally by Bell following an inspection tour Saturday, was read by Peterson.

The golf course architect recommended Section 35 of all sites inspected, "assuming that Section 26 site is unavailable."

Section 35 site would "favorably compare with private golf courses in this area," he said.

Following these site recommendations, favorable consideration might be given to Section 19, Section 18 and Section 13," Bell continued. "I feel that Section 1 is the least desirable site of all those inspected."

Regarding Section 35, Bell's firm conducted a study of that area in 1952, and he commented that "we are still in agreement on the favorable report submitted at that time."

IT WOULD BE SUBJECT to the least amount of wind, have the best topography of all considered, and would offer a feeling of compactness due to the closeness of the surrounding hills, the 1952 report said.

Bell discounted the possibility of appreciable flood damage, which was the major argument in council's stalemate earlier this month. "... Only minor damage would occur excepting in the case of major floods," and, "even in that case, after good turf was established much flood water could pass over this turf without appreciable turf damage."

Like Section 35, a report favorable had been submitted previously on Section 26.

REGARDING the other sites, Bell said:

"Sections 19 and 29—Necessary acreage may be limited due to necessary flood control measures, which could be very expensive for permanent correction. A study of more detailed site would be required."

"Section 18—All factors appear desirable, particularly with the possible inclusion of the dump site. Area has Tamarkis Country Club type of topography and soil. Wind factor should be considered."

"Section 13—All factors good except the necessary odd shape of parcel and possible limited acreage. A study will be made if this site appears desirable."

"Section 1—Has rocky, gravelly soil condition and it is apparent that wind is quite strong at times causing wind erosion. Wind meter tests showed that in other sections, Access good and plenty of acreage available. Consider it to be the least desirable of the sites inspected."

In an explanatory statement, Bell said that a "golf course could be constructed on any of the sites that have been inspected," but that factors taken into consideration in his inspection were topography, soil, wind, flood hazard, probable availability of water, access and amount of sun.

UNEDITED

By BILL RASHALL

Received an editorial assignment from a giant New York City newspaper a little while back and was deeply impressed with the do's and don'ts which accompanied the assignment in the form of a letter.

Among the don'ts were: "this newspaper is not interested in sordid crime stories, those dealing with vile sex stories and 'in short this newspaper wants the kind of a story which will make Susie say to her girl friend in the office: 'Did you see that story in this morning's newspaper?'"

The newspaper I am referring to is The News, credited with the largest circulation in the nation. And despite the size of New York City News and all its competitors in that metropolis, all of them are home town newspapers. The news is gathered in that city, written in that city, edited there and published in the world's Biggest City.

NOW IF YOU have read the above, and I will not blame you if you skipped it all, you may have a pretty good background or picture to comprehend the following two or three paragraphs.

The Desert Sun is "put to bed" twice a week right here in Palm Springs. The news is gathered here. It is written here and it is published here. It is, without bragging but actually, read by 90 per cent of the people who reside on the desert in and outside the city of Palm Springs. It is read by subscribers in every major city in this nation. Not because it is the best newspaper in the world but by virtue of being published under a banner which reads "PALM SPRINGS." There are many who read The Desert Sun in European countries and it is read by many who have never been in our fair city.

Because a newspaper mirrors the thinking and doings of a community and because this is the "World's Most Famous Winter Resort," and because this newspaper should and strives to be the "AMBASSADOR" of good will, this, The Desert Sun, a home product, has to abide by certain policies. The same kind of policies that are followed by the New York News and other newspapers throughout the nation.

THERE ARE OCCASIONS, quite often we may admit, when The Desert Sun would prefer that "our dirty laundry shall be washed in the privacy of our own home." Unpublished perhaps but talked about and generally this dirty laundry is cleaned.

Once, rather heatedly, I took it upon myself to so inform the city council. I did the same thing on other occasions but perhaps not quite so heatedly. In this manner I would like to answer some of our well

meaning Villagers who ask the question "why don't you publish this or that story?" Believe me, if the story concerned them they'd be on the telephone begging that the entire yarn be submerged, perhaps somewhere in the middle of our classified section, if it had to be printed at all.

There is one important fact that should be remembered and emphatically so, that any news which affects the entire community or may tend to do so, The Desert Sun will publish same no matter where the chips may fall.

AND THEN WE COME to the out-of-town newspapers who find Palm Springs a Mecca for succulent bits of news that should never find its way into the columns of any local newspaper. These reporters, assigned to cover Palm Springs, for any and all news that may "break" have editors who are only interested in one thing, the date line "It happened in Palm Springs."

Even our county seat newspapers, who bend over backward in thanking various city sources of news here for the extremes in cooperation, will, I have often said in the past, slam bang this city with anything at hand that can be gathered and published. It has been so demonstrated, particularly this past Winter season.

THERE IS NOT a newspaper worth its salt or the sweat and toil of those who help put it together, that does not have some of the people, some of the time, who do not like it. This is true anywhere in the world where a newspaper is published.

In Palm Springs there is a fervent hope on our part that those who may not love us—but read us just the same, are few and are delighted in picking up The Desert Sun to read about the guy and the kids who live next door.

If you have read this to completion—thanks for listening or perhaps wasting your time. The Desert Sun is not an out-of-town enterprise!

Lucille Roellig Tennis Winner

Lucille Roellig is the consolation champion of the Women's Singles event of the City Recreation Senior Tennis tournament.

She defeated Addie Clark in the final round 1-6, 6-2, 9-7, to capture the honor.

A trophy will be awarded to her by the sponsoring city recreation department.

Harris Attacks Board's Policy on Architects

In a hot debate over the method of selecting architects for the \$2,125,000 building program of Palm Springs Unified School District, at the board meeting Thursday, Haig Harris, chairman of the building committee for the board of trustees assailed the program of allotting contracts to "just one or two local architects".

Harris voiced emphatic protests against action approving Clark, Frey and Chambers for the contract for improvements to Cathedral City school and building of a new school in Section 19. He cast the one dissenting vote against the former action.

Dr. Hugh Stephens, second member of the building committee, was not present at the meeting.

"I FIRMLY BELIEVE," said Harris, "that in choosing architects for the job of building the new school program, we should use all available architects in this area to assure us of an economical as well as co-operative program. I do not believe that only one or two firms should get the job of handling the entire program."

Harris based his beliefs on the fact that a couple of months ago, trustees had trouble with a local firm on improvements at the high school. At this time it was necessary for the school board to hold up payment for the job because it had not been completed according to specifications.

"Under no circumstances, do I want people to believe that I am against any firms in this area doing work under this program, but the even distribution of contracts among local architects, would definitely be of advantage to the board of trustees and taxpayers of this district," said Harris.

IN A BUILDING PROGRAM cost estimate prepared by Williams, Williams, and Williams and Clark, Frey and Chambers, Harris pointed out that the cost estimate for music classrooms was listed at \$128,000, and "I have seen the new music rooms at the school in Beaumont, which are as fine as any anywhere, and they were built for around \$30,000."

The board of trustees, in the past few months, has held interviews with three or four architectural firms who were interested in working for the school district on the new building program. Among them were the local firms of Wexler and Harrison of Palm Springs and H. L. Gogerty of Rancho Mirage.

Because the contract was let to Clark, Frey and Chambers for improvements to Cathedral City school, Harris commented that he had "been approached by people of this area who asked if the firms that were interviewed were passed by or disqualified by the trustees."

IN CLARIFICATION of the situation, Harris said, "at no time since the interviews, has the board of education discussed or mentioned any of these firms, nor have they set a policy as to the hiring of architects for the jobs."

With the board of education faced with the spending of more than \$4,000,000 within the next two years, (this combines the \$2,125,000 building program with a yearly budget of over \$1,000,000) each of the trustees has said that they would see that the money is spent wisely and effectively for the betterment of the school district.

EDITOR'S CORNER

By Oliver B. Jaynes

TOMORROW'S RESPONSIBILITY — Topmost of the things to do tomorrow (Friday) is to vote at the School Board election. It takes so little time and yet is so important. Most of all it is important because it is a right to be cherished and guarded, for once it has been lost the right to vote is one of the hardest things in the world to get back again. Like a fighter's arm its effectiveness as an offensive — or defensive — weapon is through failure to exercise it. And it makes no difference whether the contest is a big one or a little one, exercise is just as important.

So don't think this election isn't important because an office of president, or senator or governor is not at stake. The preservation of your "way of life" is dependent upon the degree of responsibility which the people of this nation assume in the conduct of their government. Voting is a prime responsibility.

Who serves on your local School Board should concern you too — whether you have children or not. There are two reasons for this: 1.) The character and attractiveness of any community is dependent to a large extent on the quality of its school system 2.) The money to operate it comes out of your pocket.

Don't fail, then, to vote tomorrow. The little time it takes is out of all proportion to its importance. Indeed, there is almost nothing you could do tomorrow in that short space of time that could be so important.

BACK INTO BATTLE — One out of every ten people in the United States is employed by the trucking industry or in jobs which depend on that industry for continuing success. If you don't think so now, you will by the time you have completed your Summer vacation tour. By that time you may even think that all these 6,773,000 people drive trucks. Just how many do I have no idea; I haven't tried to count them. Just for the fun of it I'd like to know how many trucks are on Highway 66 between Los Angeles and Chicago at any given time.

But like millions of other American motorists I haven't been driven completely off the highways by trucks. I still go back for more; have even started out a little early this year. There is so much beauty to see in America and no way to see it like the highways afford.

Motorists can find many highways where the trucks are not so thick, a few where they are completely banned. We are heading in a few days for two of the most beautiful truckless drives in the nation; the Blue Ridge Parkway and the Skyline Drive overlooking scenic Shenandoah Valley. This new roadway is now almost complete all the way from the nation's capitol to the Great Smoky Mountain National Park.

Maybe we shouldn't complain about the trucks — just try to avoid them as much as possible. I understand they pay for something like one mile out of every three of our costly super highways. And even if the trucks are bad the guys who drive them are a pretty fine bunch (for the most part) with real tough jobs. Much as I dislike those smelly locomotives of the highways I feel sorry for the drivers — after I've passed them.

A strong minded lady always bought the suits her husband wore. The worn turned one day, however. He positively shouted at his wife, "Where did you pick up these awful trousers I've got on?"

"In a bargain basement," she admitted. "They're seconds."

"Hmph," he growled. "I stooped over in them at the office, and now their split seconds."

I'm sure you know what you should do if you come home some evening and find a horse in your bathtub. Pull the plug out!

Stopped me packing
Now I'm enjoying May.

I like that. It came in a communication from a woman, the other day. She wrote that for some years she had thought that all this "stay through May" talk was just a bit of Chamber of Commerce prodding and that perhaps I was getting free meals from cafes for trying to keep people here with that constant talk about May being the best month. But this year she lingered on, not really intending to, and found herself here in May. Now she, too, is a booster for the month of May in Palm Springs and the above ditty, practically in my best style, concluded her welcome epistle. At least, I get better results in these pieces than I do at Hollypark.

POLICE ARE HOLDING, awaiting a claim by the owner, a pair of women's black suede shoes. They found them by the roadside in the 1100 block on North Palm Canyon drive. May be her feet hurt . . . Last Sunday, while not covering so much ground, I really covered a lot of time in two hours. Fifty years, in fact. At 2:30 p.m. I bussed a bride who had just said "I do." At 4:30 p.m. I bussed a bride who had said the same words back in 1905. That was quite an occasion — attending a reception for a new bride at one hour and a Golden Wedding anniversary two hours later. And on the same day, Sunday, May 15, Ben Massie, writer of western songs, who usually has one of his new numbers cut on a record at this time of year, had a different kind of record. He and his wife, Elsie, celebrated their 40th anniversary. Maybe weddings are here to stay, after all.

IT HAS BEEN a long time since I have indulged in statistics but I thought these were interesting. To keep the average job holder at work in the following industries, here's what customers must do each year:

Soap—take six million baths.

Steel—Use 750,000 tin cans.

Gasoline—drive a million miles.

Stockings—wear a million pairs.

Refrigerators—buy 60 new ones.

So, the boss who signs the paychecks isn't the worker's real boss. It's the customer who provides the money for the paychecks. He's the real boss for if he doesn't like what he's buying, he can switch brands — and then?

COMES A BULLETIN from the California Highway Patrol which states that every car owner must see to it that his vehicle has an adequate muffler. Does that apply to trucks, motorcycles and/or sports cars, too? . . . And another bit of literature received says that automobile drivers are becoming "immunized to conventional traffic signs and warnings" and what they need is something to remind them. The article from the California Safety Council, holds that if a driver took a safety pledge to obey these signs, it would tend to remind him. "It's the same psychology as the wedding vow, loyalty pledge or lodge obligation," the bulletin stated. "It will help the driver remember." The number of backsliders will probably be the same as in the other categories.

WAS TOLD by a jurist the other day that a police car does not necessarily have to be black and white. The law specifies a "distinctive color," he said. Well, how you going to tell 'em apart? These new two-tone and even three-tone jobs are pretty distinctive. Have you ever been bothered because some thoughtless person had parked their car on your property or in such a manner as to block your driveway? A returning Villager tells me that in a midwestern city he saw an answer to this. An apartment house owner has a sign for non-residents on property reserved for his tenants. "Park here and we'll flatten your tires." That's leaving nothing to the imagination.

NOW FOR SOME excerpts from recent reading — In the Kiwanis magazine which someone sends me, this seemed like a smart crack: "Most people can't stand prosperity — but most people don't have to." Another blurb which I liked was advice to motorists: "Drive as if your family was in the other car." And then there is that one about the kid who came home after an active morning of play. According to the "Purdue University Engineer," he asked his mom: "Who Am I?" "Tarzan," she replied. "That lady down

Amendments Put Into New Act

Amendments to the sign ordinance were introduced at city council meeting Tuesday, and the changes had their first reading. Passage of the amendments is expected at the June 7 meeting.

The changes provide for reduction of the increased Summer sign size allowance from 100 percent to 50 percent; prohibition of rate signs for hotels and apartments (example: two for \$70, and eliminates the sign variance board and gives its powers to the board of variance appeal.

30 feet, which could limit the right-of-way available on the adjoining portion to a similar distance.

Even if only 30 feet are granted, it still would provide sufficient space for a four-lane major street, according to Hamerschlag and City Manager R. W. Peterson.

PRaises DRIVER CLASSES

As a parent, I wish to say how fortunate we are in having the splendid Driver Education program which we have at the present time in our Palm Springs schools. While I understand Driver Education classes are compulsory in high schools throughout the state, I do not believe there are many as fortunate as we are in having our youngsters taught, in addition to the regular 18 weeks of one-hour periods in classroom theory, the actual "Behind the Wheel" lessons that are currently under way. Not every community has the high level of public interest we have here; one, for instance, which brings about the donation of a dual-control car for use in the "Behind the Wheel" lessons as is done by one of our local dealers. Nor are all school boards as far-sighted and progressive as is ours in Palm Springs in providing a certified instructor for these classes.

We are especially happy to have our youngsters taught by, or under the supervision of, a person as able as George Bond who is the "Behind the Wheel" instructor in the Palm Springs schools, and, in this, I speak from personal experience. For many years I have wanted to learn to drive and for many years—because of an occasional poor lesson—I not only did not learn, but I developed the feeling that I never would.

On the other hand, I took seven private lessons with Mr. Bond and never had a moment's doubt that I would not learn. Most reassuring was the step-by-step method. As I sat at the wheel each time, I felt that I had to learn only the lesson at hand—how to start the car, how to turn a corner, how to back up, and so on.

Most people do not realize that it is much easier to learn to drive the right way than the wrong. Your mother, your sister-in-law, your brother, even your husband—they have been driving for umpty-ump years. They're a whiz at the wheel. You have every confidence in them.

But their driving is entirely mechanical. They do not know how to break it down for the beginner into a progressive, step-by-step, first-things-first learning procedure. They throw it at you in one fell swoop and then lose their patience because you're slow and nervous. Many of them have learned to drive haphazardly, and poorly and couldn't explain the driving method anyway. In the end, the beginner either gives up the idea altogether or becomes a nervous, unsure driver himself.

Learning of any kind is pleasant and builds confidence and produces good results when the person teaching is trained for his work and the person learning is exposed to the new subject in a methodical, step-by-step procedure. Learning to drive is no exception.

In my opinion, there is only one way to learn to drive and that is by the method taught by Mr. Bond in his first-hand, trained, step-by-step demonstration method which he so ably does and by then having the students do it for themselves under his supervision.

Yes, we are fortunate in having this good Driver Education Program in our Palm Springs schools.

Regardless of the differences, he said, a cordial relationship has been maintained. "We are in favor of off-street parking, and only object to the snappy manner in which it was initiated," he explained.

No protests were filed by property owners in the district at Tuesday's council meeting, but they now have an extended time in which to do so if they desire.

UNDER THE PROPOSAL,

property owners in the district would be responsible for the purchase of the land, and the city would be responsible for all court costs in condemnation suit has been filed in superior court, extra-curricular fees, land clearance and development.

The city would then refund to property owners all revenue from the parking district, plus 50 percent of all revenue from all on-street parking meters, for a period of 10 years, to an amount not to exceed \$100,000. If the cost of the land is in excess of \$100,000 the added amount would be borne by the property owners as their benefit from establishment of the district.

No Liquor Sales During Election

Chief of Police A. G. Kettmann issued a reminder today to all cafe and cocktail lounge owners that no alcoholic beverages may be sold tomorrow between 7 a.m. and 7 p.m., the time the polling places in the school election are open.

The ruling also applies to establishments in unincorporated territory surrounding Palm Springs.

Since all school districts elect trustees tomorrow, the drought will be general throughout the state.

Three Vehicles Meet in Crash

Damage estimated at \$190 was caused to three vehicles involved in an accident at 4:50 p.m. Tuesday, in the 400 block of North Indian avenue.

A car driven by Paul Garche, 72, 426 North Indian avenue, was in the process of making a left turn, and a car driven by Merrill Newman Phillips, 19 Cathedral City, had stopped to permit him to do so, investigating officers reported. Phillips' car was struck by one driven by Lorraine Graham Hills, 1318 Buena Vista, they said.

Damage to Mrs. Hills' car was estimated at \$400, to Phillips' \$75, and to Garche's \$15.

Dr. Smith Wins Praise of Board, is Given Raise

Dr. Clarence E. Smith, director of the Desert Museum, was given an increase in salary to \$500 monthly, and his contract was extended for another year at the annual meeting of the board of directors Monday afternoon.

The board, in taking this action, commended Dr. Smith for having done an outstanding job in programming, development of Museum facilities, and for research during the past year. President August G. Kettmann presided at the session.

DR. SMITH reported at the meeting that in excess of 48,000 persons had used Museum facilities or participated in field trips this year, which is believed to be a record for museums of similar size in the United States.

The board will hold its last meeting until fall on June 13, at which time the budget for next year will be formally approved and committee appointments made.

Minor improvements in displays are planned during the summer months, after the museum is closed.

PLANS FOR NEXT FALL include the moving of some lectures and illustrated presentations to the Frances Stevens school auditorium so that a larger number of interested persons may attend.

Further discussion on a new building is awaiting definite action by the city on establishment of new off-street parking facilities in the area of the present location, Kettmann said.

Sore Neck Due to Baseball and Not Result of Dog's Bite

A sore neck following a dog bite Saturday afternoon caused considerable excitement for Shirley Andreas, 15, 322 North Calle Encelia until Desert hospital authorities discovered that the soreness had been caused by the patient twisting her neck during a baseball game during the same afternoon.

The bite by the dog occurred when Miss Andreas picked it up. It was a tiny laceration over the left eye, and did not require medical attention.

The dog was brought to the police station and then turned over to the humane officer.

Hottest news in Hardtops is the 4-Door Riviera

Why take anything less than the sensation of the year?

WHEN you learn what's been done in the automobile pictured here, you can easily see why this beauty is winning rave notices coast to coast.

Buick engineers took the hardtop body design that has been growing tremendously in popularity over the past six years—and gave it four doors instead of two.

Simple? Sure—to all outward appearances.

But it took a brand-new kind of body with wholly new structural principles to do it—to bring this long-awaited new kind of automobile to the public in volume numbers and at popular prices.

For this is a true hardtop—with the sleek and racy look of a Convertible, because there are no center posts in the window areas on either side.

And now it has front doors for the front-seat passengers—and rear doors for the rear-seat passengers—plus room increased to the size of a full Sedan.

(It took some special kind of engineering magic, you can be sure, to hinge all four doors at their forward edges for greater safety, and more ease of entering and exiting.)

HOTTEST NEWS IN AUTOMATIC DRIVES IS VARIABLE PITCH DYNAFLOW

It's the world's first transmission with the switch-pitch principle of the modern airplane's variable pitch propeller. You get better gas mileage in cruising. You switch the pitch just by pressing the gas pedal—and get lightning-like response for getaway, or for a sudden safety-surge of accelerating power. It's the performance thrill of the year. Standard on ROADMASTER, optional on other Series at no more extra cost than earlier versions of this wonder drive.

So it looks like Buick has scooped the industry again—and come up with the hottest news in hardtops since Buick originated the first two-door hardtop six years ago.

And you can have it now—in the low-price SPECIAL or the supremely-powered CENTURY—and either one at the modest extra cost of a 4-door model over a 2-door.

Drop in on us today—this week, for sure—and see how easily and how quickly one can be yours.

CRACKDOWN ON TRAFFIC ORDERED DUE TO INCREASE IN ACCIDENTS

Confronted with a steady increase in accidents, and particularly in injury accidents, Police Chief August G. Kettmann today announced a stringent enforcement program against moving violations in an effort to correct the situation.

Three traffic fatalities within the past 45 days were also cited as a leading cause for action.

"The serious upsurge in the number of injury accidents compels a re-examination of our traffic enforcement program," Kettmann said. "To date in May we have had 12 accidents, six of which have had injury involved. This is 50 percent, which indicates their violence. There has been one fatality."

HE COMPARED THIS with the same time during 1954, when there were eight accidents, five involving injury, and during which time the only

traffic fatality of the year was recorded.

During April of 1955 there were 31 reportable accidents, six of which involved injury with two fatalities. This compares with 15 accidents in April of 1954, which had only one connected injury.

"Three years ago we were rated the safest city of our size in the United States and went 12 months without a death," Kettmann said. "Now we have had three fatalities in two months — with the tragedy attendant in their wake."

THE ONLY KNOWN solution, the police chief said, which is practiced by the California Highway Patrol and other successful agencies, "is to engage in a stringent enforcement program against moving violations. The department has long had a policy of writing as few citations as possible but we can't continue it in the face of these tragic statistics."

The new program will involve a study of the danger spots and then applying selective enforcement. "Traffic regulations are for the protection of drivers

and pedestrians using the city streets," Kettmann said. "They will not be delayed in following them. They will be cited — and delayed — if they don't. Citizens may assist by respecting regulations and setting a good example. I'm sorry this has become necessary."

As further proof of the necessity for the action Kettmann listed comparisons in accidents for the first four and one-half months of 1955 and 1954: Totals are (1955 first): Total accidents 108, 76; property damage accidents 78, 64; injury accidents 30, 17; fatalities 3, 1; citations issued 47, 39.

Turf Club Case Set for Tuesday

Tuesday, May 24, has been set as the date for the hearing in superior court on the Desert Turf Club's right to establish a quarterhorse race track in this area.

The hearing was originally scheduled for last Monday but was postponed because of a conflict with a civil suit. Presiding jurist will be R. Bruce Findlay of San Bernardino county superior court.

The Club's attorneys have asked that the court order the board of supervisors to grant a zoning permit for the establishment of the track, and that County Building Inspector Charles Bixel be required to grant a building permit.

Desert Turf club has been granted a racing permit by the California Horse Race board, together with dates for this fall, and early action on the suit is being sought so that facilities may be ready by the time of the approved dates.

Sales Tax Permit Revoked by Council

Sales tax permit of Fred Porter, radio and television service, was cancelled by city council Tuesday evening following a public hearing at which no one appeared in protest. Action was requested by City Treasurer Shelby Langford, as returns had not been filed for some time.

Langford withdrew the request for revocation of the permit of W. Donald Milnor, Palms Cafeteria, as returns had been filed since the hearing date was set.

Permits Issued for 42 Homes in Rancho Mirage

Building permits issued in the unincorporated area around Palm Springs hit a record high last week when the county building department issued permits for 40 dwellings to House of Tomorrow, R. K. Burk, Los Angeles, in Rancho Mirage.

Each dwelling and garage was listed at \$14,627, for a total of \$585,080.

Three other county permits, two at Cathedral City and one at Thousand Palms, raised the total for the week in the unincorporated area around Palm Springs to \$600,871.

The permits represented 42 dwellings for the week went to: Homes of Tomorrow, R. K. Burk, 40, S. La Cienega, Los Angeles; Rancho Mirage, Dwelling and garage, \$14,627. (Above company will build 40 dwellings and garages as listed above in Rancho Mirage.)

Leonae Brown, Cathedral City, R. L. Smith, Dwelling and garage, \$10,491; Glenn P. Miller, 1002 Palms, Dill & Robinson, Dwelling, \$33,600; Tramview Trailer Park, Cathedral City, Plumbing for 20 additional spaces, \$2000.

New Post Office Building to be Ready in July

TWENTY-EIGHTH YEAR

The Desert Sun

Page 1-b Palm Springs, California, Thursday, May 19, 1955 2nd Section

THE NEW POST OFFICE with its walls completed, and roof well underway, will be ready on its North Palm Canyon site within the next two months.

NEW POST OFFICE BUILDING TO BE COMPLETED DURING SUMMER

By FRED C. WEIGEL

Construction of the new U. S. Post Office of North Palm Canyon drive, this week is showing signs of nearing completion. The building which will contain 7,772 square feet, is scheduled to be ready by the middle of July.

Harold J. Hicks, owner and builder of the shopping center, which will include the post office, shops and offices, reported that the entire project will be underway by next Fall. It will contain 24,272 square feet of space, with a parking area for 71 cars adjacent to the center.

Shops and offices will open onto covered walks facing Palm Canyon drive and a breezeway running through the middle of the shopping center. The northwest corner will be given over to parking and driveways for use by the postal department. The entire project which will

run close to \$500,000, when completed, will be of modern architecture, and was designed by Victor Gruen of Beverly Hills.

A new type of fluorescent lighting will illuminate the new, no-window post office building, and a refrigerated air conditioning system will be installed. The interior will be the new gray color, now in use by the postal department. The windows will have bank type fixtures, which will be run only part way to the ceiling. Post office boxes will be increased by three more banks.

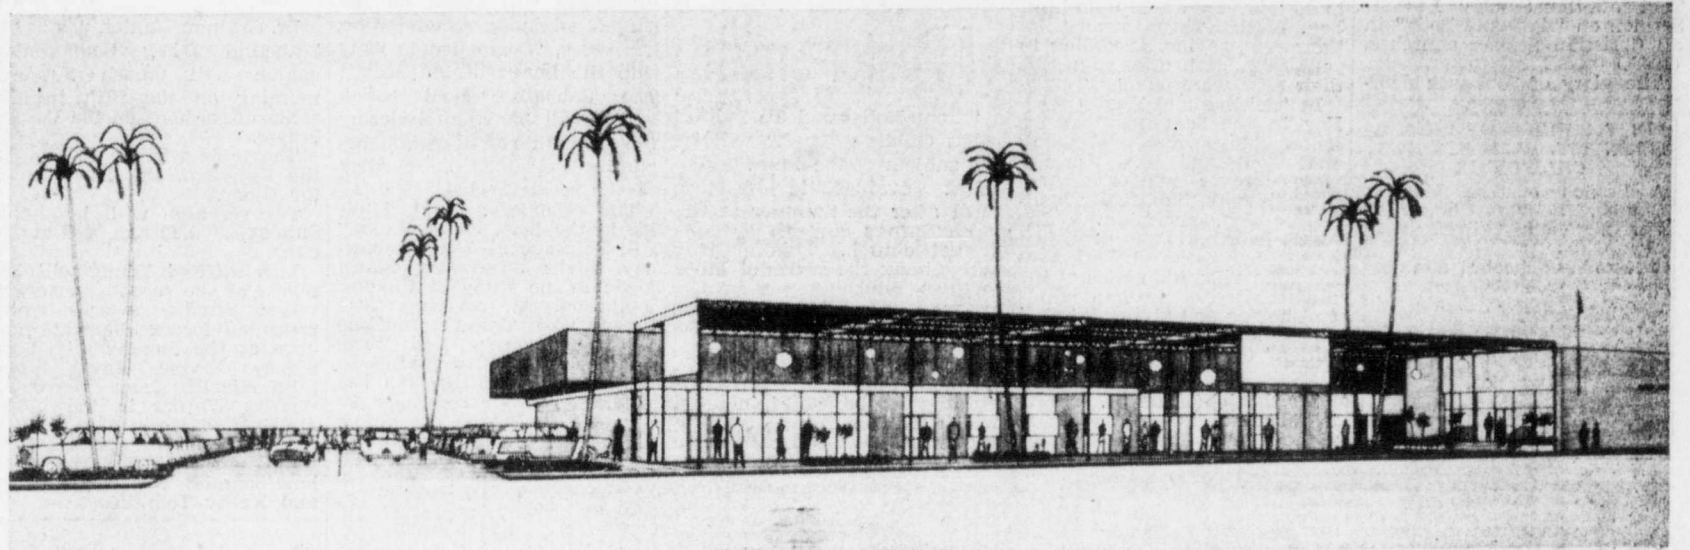

Postmaster Merritt Williams said that no time has been set by the post office department for moving into the new building, but tentative plans call for the move to be made around the first of August. It will be necessary to make the move over a weekend, allowing only two days for the transfer of

equipment. The lease of the present post office was up on November 22, 1954.

Williams Attends PM Convention

Merritt Williams, Palm Springs postmaster is today in Riverside for the four-day convention of California Chapter No. 4 National Association of Postmasters, which started at Mission Inn Tuesday.

He will return to the Village tomorrow. More than 325 postmasters and 100 other post office officials are at the convention.

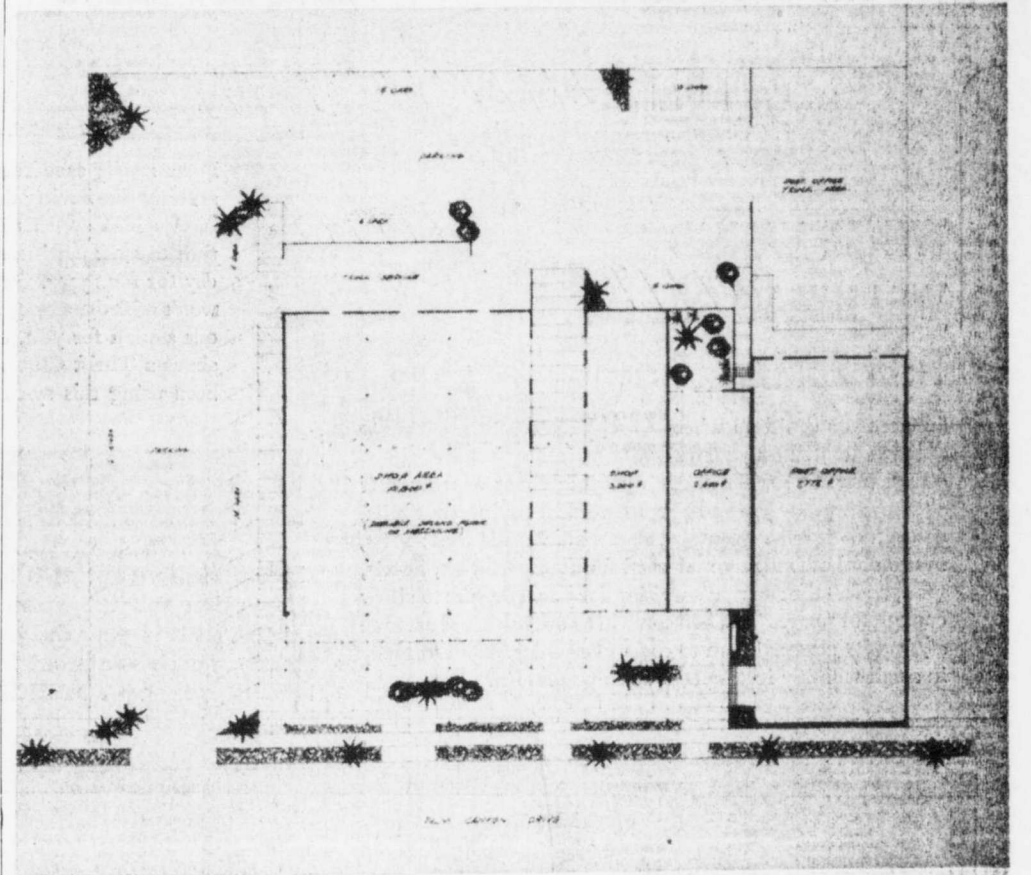

THIS ARTIST'S sketch shows how the new post office and shopping center will look when completed. Now under construction by Harold J. Hicks, the

post office building, right, will be completed sometime in early July. The balance of the center will be constructed in the Fall.

HAROLD J. HICKS, Palm Springs civic leader, will make a dream of the future come true with the completion of the new post office and shopping center.

FLOOR PLAN of the new development on North Palm Canyon drive, showing parking area, shops, office building, and post office, designates spacious parking lot, loading space and drive for postal department. The development will cover some 24,272 square feet.

Statewide?

...SURE, BUT LOCAL TOO!

Here's another way we serve Riverside County...

Last year our bank approved 4,209 personal loans—totaling more than \$11,200,000—to residents of Riverside County. This money was used to meet unexpected bills...straighten out family finances...to pay for baby's arrival...and for hundreds of other worthwhile purposes. Whatever their need, these people found they could look to Bank of America for quick financial help. Here is another way in which our bank serves Riverside County.

onstrated by Christ Jesus in healing the two blind men. Matthew's Gospel (9:28-30) records: "The blind men came to him; and Jesus saith unto them, Believe ye that I am able to do this? They said unto him, Yea, Lord. Then touched he their eyes, saying, According to your faith be it unto you. And their eyes were opened."
 In "Science and Health with Key to the Scriptures" Mary Baker Eddy writes, "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation" (p. 210).

From Hollywood to Pulpit, Topic of Pastor Smith

"From Hollywood To Pulpit"—His Guiding Hand, will be the subject of the last Sunday night evangelistic meeting until after the Summer at the Palm Springs Seventh-day Adventist church. This meeting will climax the series of Bible lectures which began in the Woman's Club March 6, and have been continuing in the church.
 In this sermon, Pastor D. Kenneth Smith will trace the guiding hand of God in his life, which led him from an acting career in Hollywood covering a

period of nine years and over fifty-five pictures, to a place in the gospel ministry. The meeting will begin at 7:30 p.m.
 Saturday morning at the 11 Sabbath worship services, Pastor Smith will speak on the subject originally scheduled for last week, "Compelled to Worship the Image of the Beast." The Sabbath school lesson which will be studied during the Sabbath school period beginning at 9:30, is entitled "God's People Tested."
 The Wednesday night "Studies in the Book of Revelation" will continue at 7:30 Wednesday night as Pastor Smith leads in the study of Chapter 9 through 11, covering "The Seven Woe Trumpets," "The Disappointment," and "The Prophecy of the Two Witnesses From the Bottomless Pit." The Wednesday night meetings are illustrated with the use of the fourteen-foot colorama board.

Sunday School Pupils Honored at Cathedral City

Dr. Graham Hunter, pastor of Cathedral City Community church will preach Sunday morning on the fifth in his series of sermons on the Lord's Prayer.
 The topic will be "Thine is the Kingdom, the Power and the Glory."
 Two services will be held Sunday, at 9:30 a.m. and at 11 a.m.
 Mrs. Clifford Young will be soloist at the second service. Last Sunday awards were presented for excellent attendance at the Sunday school to Sidney Ervine, David Sing, Ruth Micelli, Jean Morrison, Charles Warner in the older grades and Doris and Phyllis Sing, Dan Knowlton, Kathy DuVall, Charles Eisenmann, Darlene Schmidt, Susan Carnahan and Kathy Tomkins.

Baccalaureate Service Sunday

Annual Baccalaureate service for the graduating class of Palm Springs high school will be held next Sunday evening at 7:30 in the gymnasium of the school.
 In previous years the services had been held in a church.
 The Rev. William A. Blodgett, rector of St. Paul's in the Desert Episcopal church, will preach the sermon.
 Rabbi Leon W. Rosenberg of Temple Isaiah will pronounce the invocation.

Promotion Day Program Set for Sunday Morning

"The Christian Armor" will be the theme of the services Sunday morning at Palm Springs Community church as Promotion Day is observed in the Sunday school departments. All of the classes from Nursery department to high school age, will take part in the exercises. Because of the program, hour for the morning worship service Sunday has been changed from 11 a.m. to 10:30 a.m.
 At the 9:30 a.m. service Sunday, Dr. James H. Blackstone, Jr., pastor of the church, will administer the Sacrament of Baptism to Magella Marie, daughter of Mr. and Mrs. William F. Alcorn. New members will be received in the church at this service.
 There will be no Christian Endeavor meetings or evening service in order to allow friends and members of the church to attend the Baccalaureate services at the high school.

TIGER!

A Corvette is no tame kitten.

Sure, it can purr softly and gently as any household tabby, idling along in the sun. But even so, you catch a hint—a certain lithe competence in the way it moves, an undertone of raw power in the velvety exhaust.

For this one is a tiger! Under its sleek hood beats a savage heart—the steel-sheathed fury of 195 V8 horsepower. Its broad-based tread clings to the road with an incredible footsureness. And its 16-to-1 steering ratio, the instant precision of its controls, the taloned grip of its huge brakes, give it lightning-fast reflexes.

It is a tiger—but an obedient tiger. This fury of acceleration, these whiplash reflexes, are servant to the slightest nudge of your foot, the fractional pressure of your fingers. Your eye, your will and your nerves command these steel muscles with an absolute-ness you have never even dreamed.

True, this car can slip through the tangle of traffic with effortless serenity, its special Powerglide transmission metering out a faultless flow of power. In its foam-rubber seats, its deep floor-carpeting, the crystal curve of its windshield, its glove-soft upholstery, are the true marks of luxury.

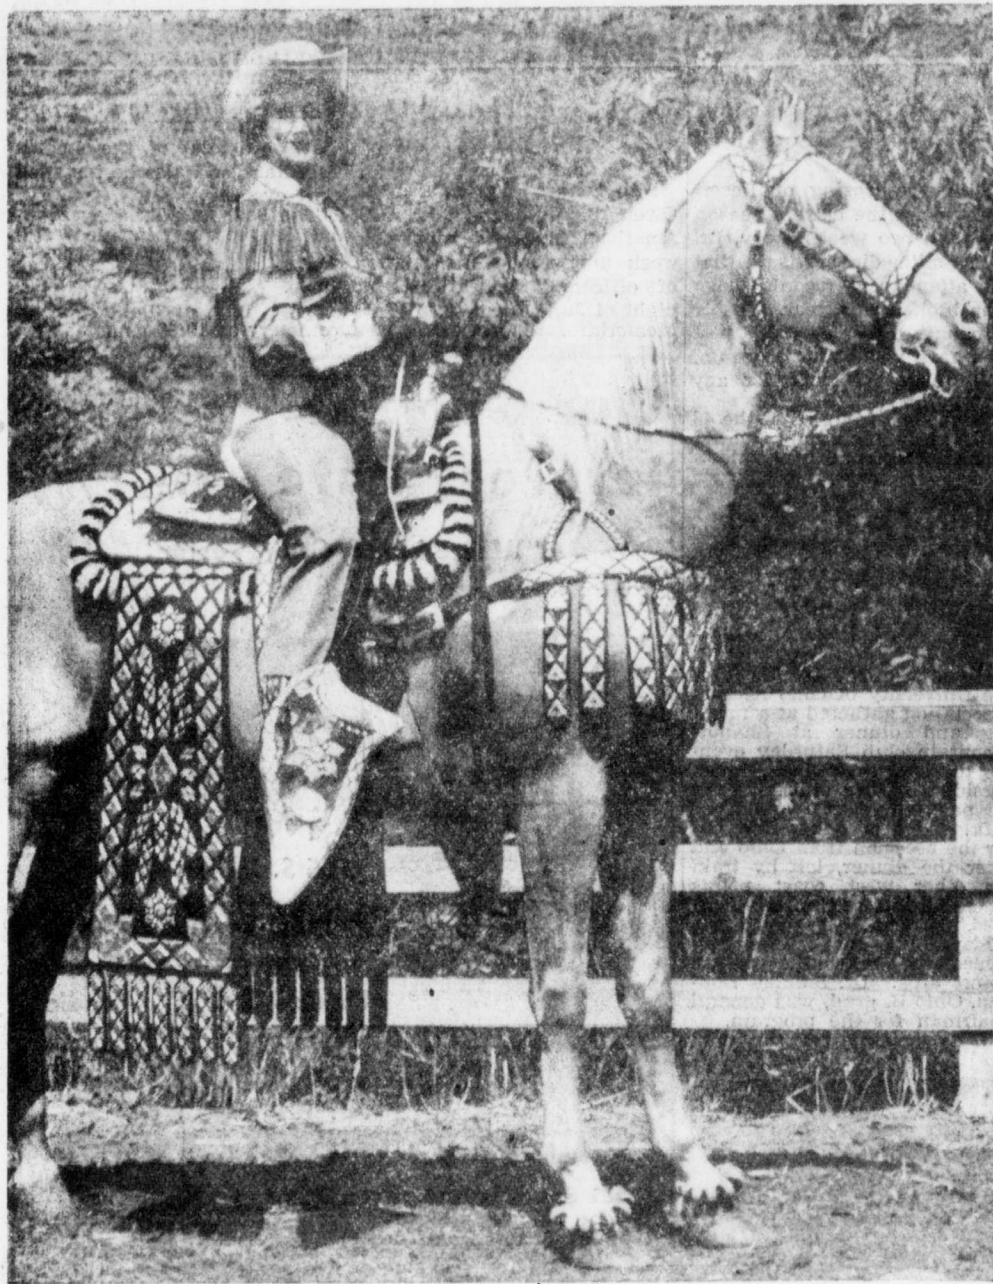

But the tiger is always there... just under the surface. And, if there is fire in your blood... if your heart soars to the harsh music of excitement... this is the car that was meant for you. Corvette is its name. And action is its business!

YUCCA VALLEY this weekend will observe its annual Grubstake Days event. One of the riders in Saturday's big parade will be Kathleen Schubert of Woodland Hills riding "Golden Missey," her blue ribbon winning registered Palomino. She and her mount won prizes in the the Palm Springs Rodeo parade this Spring.

Palm Springs to Get \$30,180.32 in Gas Tax Split

Share of Palm Springs in a record \$24,085,255.42 of state gasoline tax revenues allocated for street work during the current fiscal year is \$30,180.32, Frank B. Durkee, director of public works announced this week.

The gas tax given Palm Springs is the revenue from five-eighths of a cent per gallon from state gasoline taxes paid by highway users and apportioned by the state division of highways on a population basis.

Under the state law, at least 60 percent goes to construction of major streets as designated by city council and 40 per cent for maintenance.

Grubstake Days to Feature Weekend in Yucca Valley

Desert dwellers are expecting an overflow crowd this year for their Fifth Annual Grubstake Days events tomorrow, Saturday and Sunday in Yucca Valley.

The carnival part of the affair will open tomorrow evening, May 20, but the real festivities will begin with a parade at 11 Saturday morning. The parade will be led by Queen Diane Urmston and her princesses, Carol Peters and Diane Peters (no relation). The grand marshal will be San Bernardino County Sheriff Frank Bland, who will be accompanied by Col. J. S. Oldfield, Major Lancaster, Lt. Col. Ford and Capt. Wahner of the Marine

Base at nearby Twentynine Palms. The Marines will provide a color guard and marching company.

Among the noted horsemen and equestriennes to be in the parade are Hazel Kirkpatrick of Chatsworth, first place winner the past two years of the Spanish Ladies class at the Sheriff's Rodeo at the Los Angeles Coliseum, Miss Kirkpatrick will ride her golden palomino, Tony, and will feature a white leather side-saddle which belonged to Anita Baldwin for whom Santa Anita was named.

Many events such as a soap box derby, gymkhana and Indian ceremonial dances will be features of Grubstake Days. Johnny Reed of Hollywood, the world's champion whistler and trap drummer, will participate and many luminaries of stage, screen and radio will be on hand. Landfield of Twentynine Palms, whose slogan is, "Oh What Food" a noted professional barbecue expert, will be in charge of the barbecue.

SCHOOL NEWS

Thursday the Palm Desert P-TA met and voted not to be part of that organization but will operate under the name of The Palm Desert Parent's Group. Ben Beal was made president of the new organization. He has served in the same capacity for the P.T.A. There are only six grades in the local school and the parents and teachers feel they can operate to better advantage under the new name.

Palm Desert grade school is planning a May Day Festival Friday, May 27.

CHURCH NEWS

Community church will hold Sunday School through the month of May. There will be family church sessions through June at 11 a.m.

Wednesday and Thursday night recreation program was concluded last week with the departure of Lou Kuehner, director. This was the first year of this program and it proved a great success.

Stan Ring is working on plans to enlarge the church house so there can be more Sunday school classes.

BIRTHDAY PARTY

Mrs. H. L. Mero gave a birthday party for her daughter, Buda Lys, at the Shadow Mountain club Friday. The guests were Poppy White, Jane Vallet, Lenore Cowan, Joyce Bopp and Barbara Wurts. After dessert and birthday cake, Mrs. Mero took the guests to see "The Little Princess" given by the children's Theater Guild of Palm Springs.

SOCIAL BRIEFS

Mr. and Mrs. S. L. Carpenter, Jr., entertained Dr. and Mrs. Gordon Howard of Fontana for a few days. The Howards are leaving for Europe in June with their children, Sharon and Kirk, to be gone all Summer.

Mr. and Mrs. Robert Keedy, attended the 25th anniversary

banquet of the South Pasadena high school reunion. Keedy attended this school.

Thrifty Contest Now Under Way

An exciting contest that will give Thrifty Drug Store patrons a chance to win 114 valuable prizes begins this week throughout the drug chain, it was announced today by local Thrifty officials.

Grand Prize in the month-long Winchester contest is a three day vacation for two at one of the country's leading hotels with round trip transportation via Western Air Lines. If this winning entry is accompanied by a box top or sales slip from Winchester Toilettries, a bonus prize of \$50.00 cash will be awarded.

Second prize in the free contest is a \$210.00 Winchester field gun. The next six winners receive Winchester Automatic 22 calibre rifles.

Runner-up prizes include twenty-four copies of "Winchester," a complete book of firearms and Winchester rifle history, and Winchester roller skates.

There is nothing to write, and no skill involved in entering "Thrifty Drug Stores' Free Winchester contest. Patrons are encouraged to enter every time they visit their neighborhood Thrifty, thereby increasing their chances of winning one of the more than 100 valuable prizes.

FISHING EQUIPMENT

Finding of a metal box containing assorted fishing equipment was reported to police Saturday by Leonard Wolf, 1109 North Sunrise Way.

Concord, California as a Summer visitor.

Word was received that Lake Littlejohn is now with his sister in Marshall, Texas, and has almost recovered from his recent automobile accident. Littlejohn is well known in this community.

Charles Yates, Jr., will be in charge of pool activities at Shadow Mountain club for the Summer. He will be assisted by

Jerry Beatty.

Mr. and Mrs. Reuben Buck have sold Samareu, well known motel and will take up permanent residence in Rancho Mirage. They plan to spend some time in Caracas, Venezuela.

SUN COLONY EVENTS

Mr. and Mrs. Gaby Hayes have departed for New York and Europe.

Mr. and Mrs. Clarence Brown will be away all Summer. Eng-

land is their European choice. Dr. and Mrs. Olin Garrison are in the Bireley Sun Lodge for ten days.

Mrs. Earl Gilmore has a house full of friends for a few days. Mrs. Gilmore has just returned from an extended world cruise and now is resting in the desert.

Dr. M. B. Graybill of Escondido is back in the Colony for a short visit.

PTA ELECTS OFFICERS

First election of officers for the newly formed PTA was held at the regular meeting last Thursday afternoon in the school cafeteria. The following were elected to fill the offices for the ensuing year: president, Mrs. Jean Patane; vice president, Mrs. Joanne Tomkins; treasurer, Mrs. Margaret Zapp; recording secretary, Mrs. Helen Carnahan; corresponding secretary, Mrs. Rose Allen; auditor, Mrs. Nedra Hollister and historian, Mrs. Madeline Gallarini. Following the short business meeting the afternoon was devoted to a "Fun and Frolic" program which opened with a colored motion picture of beautiful Glacier National Park shown through the courtesy of the Riverside County Forestry Division. Next the audience was asked to participate in a hat making contest. Various "millinery" trimmings in the form

of paper and tin plates, crepe paper, macaroni, and so on were furnished, and participants given 20 minutes to create a chapeau, with prizes awarded for the prettiest, most original, and the funniest.

Mrs. R. C. Mhoon, Mrs. Paul Clark and Ben Scott were invited to be the judges of the contest, and after much trepidation awarded the prettiest to Mrs. Peggy Deason, most original to Mrs. Joanne Tomkins, and the funniest to Mrs. Jean Patane. Coffee, punch and cake were served at the tables during the afternoon's festivities.

COURT OF AWARDS

Annual Court of Awards for all troops of Girl Scouts of the Palm Springs area was held last May 5 in the Katherine Finchy school in Palm Springs. Local Troop 2 with Mrs. Eileen Schmidt as leader and Mrs. Thelma Goode as co-leader

er. and Troop 6 with Mrs. Johanna Lake as leader and Mrs. Clara Aquino co-leader made an excellent showing with proficiency badges being awarded both troops for work accomplished throughout the year in Good Grooming, Hospitality, Garden Flower, Games, Stars, Minstrel, Campercraft and Home Nurse.

The following girls of Troop 2 became First Class Girl Scouts: Jackie Goode, Nancy Green, Karen Hansen, Patty Hayhurst, Linda McManaman, Hazel Micelli, Gracie Nelson and Sandra Schmidt. A "Campership" award from the Palm Springs Council was given to Karen Hansen. This award entitles her to two weeks at the Girl Scout Camp "Azalea Trails" in Idyllwild. The leaders of both troops extended their thanks to Mrs. Rita Herman, Mrs. Alyce Mills, Mr. and Mrs. John Hayhurst, Mrs. Graham Hunter and Miss Margaret Davidson for helping to make the awards possible.

LIONS CLUB INSTALLS

Newly elected Lions Club officials were installed at a dinner party held for Lions and their wives at the Chi Chi last Thursday evening. Installed were president, Robert J. Cordes; first vice president, Ray Cook; second vice president, Wm. Hendrickson; secretary, S. Micelli; treasurer, Dr. Robert Bertrand; lion tamer, Paul Sanford; tail twister, Bob Hillery; directors, John Danchak, Brad Davis, Chester Madison, Earl Mayo. Officiating were district governor George Duryee of Chula Vista, deputy district governor Fred Morrison of Palm Springs, and a governor-elect

Boynton Jones of Indio.

NOTES IN BRIEF

The Cathedral City Public Library will be open on Summer hours Mondays and Thursdays 6:30 to 9 p.m. effective June 1. It was announced yesterday by Warner Moon, librarian. Mr. and Mrs. Moon are leaving for the east the latter part of this month by auto, and thence sailing for a two months European trip. Mrs. Johanna Lake will be in charge of the library for the Summer.

A two-way radio system has just been installed by Hicks and Allred, the general engineering contracting firm which has its headquarters in Cathedral City. They have seven mobile units thus equipped to keep in touch with their seventy-five employees and operations which extend all over the upper Coachella Valley. They are enthusiastic over the innovation, and report that it simplifies and speeds up their activities beyond their greatest expectations.

The Walter Colglazier home has been made complete with the arrival of Patrick Thomas Colglazier, age three weeks. His brother Michael is delighted with him as "Mike" is only half the team of "Pat and Mike."

The newly elected president of the Cathedral City Woman's club, Mrs. Claude Cobb, and the recording secretary, Mrs. Wilbur Larrison, are attending the California Federation of Women's Club convention at the Hotel Del Coronado. The Cobbs and Larrisons are combining the convention with a week's vacation and have their trailers parked at Palm City on the Silver Strand below San Diego.

Mrs. Patane is Elected by PTA

Mrs. Jean Patane, wife of Alfred Patane has been elected to the chairmanship of the Parent Teachers' Association representing the Cathedral City area. It was just announced.

At one time Mrs. Patane was the treasurer of the Palm Springs Business Women's club. She is the mother of two children, Alfred Jr. 8, and Patricia, 10, both grade school students in Cathedral City.

Alfred Patane, Sr. last week sold his market in Cathedral City, a business which he operated almost since his release as a lieutenant with the Air Transport Command, stationed in Palm Springs during World War II.

"My wife, the children and I are going to spend the summer at Running Springs in the San Bernardino mountains," said Patane. "We plan to return to Palm Springs where I will engage in some kind of business."

County Farm Bureau Favors Zone Plan

Zoning for all of the unincorporated areas in Riverside county was favored by the County Farm Bureau, meeting last week.

A resolution to that effect was sent to county planning commission.

Museum Attracts 48,500 Visitors During Season

With the closing of Desert Museum for the current season less than two weeks away, Dr. C. E. Smith, director, said that all attendance records have been broken this year.

To date, he said, 48,500 persons have visited the Museum, well above the mark for any previous year.

They came from all of the 48 states of the union and from 42 countries, Dr. Smith revealed.

Ohio U. Alumni Honor President

More than 150 members of the University of Ohio Alumni association gathered at a meeting and dinner at Shadow Mountain club Saturday evening to honor Dr. John C. Baker, president of the university for the past ten years.

Dr. and Mrs. Baker flew out for the occasion from Ohio and after the dinner, left by train for other west coast points where he will be similarly honored.

Mayor Florian G. Boyd welcomed the association to the desert area. Dr. Stanley Dougan, Ohio U. grad, was general chairman for the program.

Maytime has always been garlanded with flowers . . . and coming as it does on the calendar . . . as the in-between month . . . it seems the logical time to hand out floral tributes . . . to some of the women who have made this one of Palm Springs' gayest and most successful seasons . . . Village affairs, charity drives and cultural improvements . . . parties and ball and civic events . . . all have helped make the Palm Springs of 1955 . . . and in each instance you find certain women who have contributed of their time, energy and ability to promote Palm Springs . . . To each of them a May Blossom . . . and appreciative plaudits . . .

To Zaddie Bunker, Palm Springs Flying Great-Grandmother . . . for that transcontinental air tour that focused attention on the Village she loves . . .

To Ruth Hardy, whose role of City Councilman is one of the best bits of casting in civic affairs . . . and whose efforts to promote the beauty and welfare of the Village have been untiring . . .

To Helen Staley for the tedious long hours expended on school board problems . . . and the intelligent consideration that she gives them . . .

To Melba Bennett, long a prime mover in Village activities, who this year . . . staged the Desert Arabian Horse Show . . . When Melba takes on a job . . . you know it will be done capably and with imagination . . .

To Bettye Herbert, who headed not one but three of the season's biggest affairs . . . the Palm Springs Woman's Club Style Show . . . the City of Hope dinner . . . and the Sweethearts Ball . . .

To Andrea Leeds Howard . . . whose production of the Palm Springs Souvenir Magazine . . . was one of the top achievements of the year . . .

To Ethel Lucareni, dynamo of the Palm Springs Playhouse Guild . . . for piloting the Guild through its second season . . . and deserving applause for what its annual report will show . . . It's in the clear . . .

To Frances Bigelow, the behind-the-scenes worker . . . who has contributed so much to so many campaigns . . . as a good member of a winning team . . .

To Lily Pons, new Villager and ardent booster . . . for giving the Party of the Year . . . when she opened her new hill-top home . . .

And Honorable Mention to the many others . . . who have inspired or worked to bring about . . . progress for their beloved Village . . . for that is one thing all these women have in common . . . a love for Palm Springs . . .

Clark Gable this week bought a half acre site on the hillside above Thunderbird Country Club . . . and was here on Sunday to look at it . . . With him was his architect and the Beverly Hills contractor Ray Hommes . . . Architectural plans are near completion and construction is expected to start almost immediately . . .

While it is in the prescribed Thunderbird ranch house style . . . the three-bedroom house is definitely modern . . . with angled partitions . . . It will have a livingroom, screened lanai, pool and carport . . . with a wall around the estate . . . and it is located on the level below Bing Crosby's home . . . He bought the property through Lou Manseau of the firm of Hinkle and Manseau . . .

Also with Gable Sunday was Kay Williams Spreckels whose presence here inspired

Los Angeles columnists to again speculate on an imminent elopement . . . When the two of them vacationed here a few weeks back . . . they were asked about their plans . . . and at that time he answered . . . "I just love Palm Springs . . . We just may be here forever" . . .

He is a member of Thunderbird . . . and the two of them are usually to be found on the golf course . . . when they are here . . .

Margaret and Solle Manasse have sent out invitations for a cocktail-buffet . . . to be held next Sunday evening at Warm Sands . . . A note from Margaret says that this will be a fun party with a Chinese theme . . . and that Jan Rubini, the noted violinist, expects to be here for the party . . .

Helen Kenaston came in for 10 per cent of the purse when Karim romped home to win the Breeders' Handicap at Hollywood Park Saturday . . . but Helen and Jack weren't there to see the race . . . They were playing golf out at Thunderbird . . . As soon as Helen's Riparian comes down from Golden Gate . . . you will find the Kenastons leaning on the rail . . .

Oliver and Frankie Jaynes and their daughter Janet started out Monday on a motor trip East . . . They will go first to Ohio . . . and then visit in Kentucky and North Carolina before going to Florida . . .

Out at the Racquet Club this weekend . . . Tony Owen and Donna Reed watching the Ed Sullivan show on TV . . . Donna guest stars on the show this week . . . Sister Visits Jock Williamson

Mrs. Margaret Stewart Drummond who lives on the Isle of Wight off the southern coast of England is here for a visit with her brother Jock Williamson of 1087 North Palm Canyon drive. Mrs. Drummond spent her first weekend in this country with former Governor of Massachusetts and Mrs. Alvin Fuller at their home in New Hampshire. She arrived in Palm Springs last Wednesday evening and plans to be here until the first week in June.

Since her arrival here she has been entertained by Mr. and Mrs. John Galois, the Walter Braunschweigers and Mr. and Mrs. Oliver Jaynes. She attended the party given by Grace Pope at the Racquet Club Sunday afternoon where she met many of her brother's friends.

Mrs. Drummond and her brother go north today to spend a couple of days in Santa Barbara with the Kirk Johnsons.

Mrs. Dottie Stein, manager of the Mary Helen shop, is in Ft. Worth, Texas, visiting Mr. and Mrs. Alan Thompson and her grandchildren. She will be gone until June 5.

Mrs. Helen Clarke, Desert Art Center curator, is in the Desert hospital recovering from a back injury received in a fall.

Shriners Safari on Saturday

Around 500 Shriners and their guests are expected to participate in the Desert Safari Saturday to Desert Air with a large delegation headed by Potentate O. K. Morton, coming from El Bekal Temple in Long Beach. El Bekal's Patrol Band and Chanters and a special dance orchestra will accompany the caravan.

The first annual Desert Safari sponsored by the Duke Empire Shrine Club of Indio, will be a colorful out-door event, taking place in the poolside area at Desert Air. The Indio Women's club will serve a special buffet supper, with the crowd expected to gather around 6 p.m.

Roy Bolton, chairman for the Desert Safari, arrangements said this week that all Shriners, Masons and their guests are welcome to attend and tickets may be secured from the Indio Florist Shop or from any of the following committee members: Henry M. Stanley, Jack Jenkins, Allan Willard, Stanley Wentz and James P. Westerfield.

Hilo Hattie to be Star of Shadow Mountain Luau

Hilo Hattie comes to Shadow Mountain Club in Palm Desert, dancing a graceful hula, singing Ke Kali Nei Au, the famous Hawaiian Wedding Song, and bubbling her characteristic comic routines, to be the star attraction for the Club's annual Luau, Saturday, May 28. Also on the program is Lei Aloha, lovely dancing star of Harry Owens show, whose name means "Welcome, Beautiful Flower".

Son of Former Villagers Weds Altadena Girl

Vows were exchanged Sunday afternoon in South Pasadena by Norma Jeanne Drege, daughter of the Arthur Drege, of Altadena, and Stephen Howard Bourne, son of the Arthur K. Bourne, former Villagers. Wedding ceremonies took place in the Oneonta Congregational Church of South Pasadena, with the reception following in the Church gardens. Attending from here were Mrs. Austin G. McManus and Mrs. Walter McManus. The Bournes who lived here for a number of years, built the Cain house on Patencio and were among the original members of the Polo Club.

Flower". Lei Aloha is one of the best known exponents of the hula dancing in this country today, with her swaying hips and articulate hands that have been called "the most graceful hands in the world." For the highlights of the social season, Shadow Mountain club presents authentic Hawaiian foods, as well as American dishes, which will be served on the garden terrace from the buffet from 7:30. Dancing by the flower-filled pool from 9 p.m. Floor show poolside from 10 p.m. Leis will be flown directly from the Hawaiian Islands a prize will be awarded for the best costume and a "Miss Luau Wow" will be chosen. Actor Weds Descendant of Pioneers

Miss Helen Norris and Harold Barker, both of Hollywood and frequent Palm Springs visitors, were united in marriage at St. Paul's in the Desert Episcopal church Sunday afternoon at 2 o'clock. Officiating was the Rt. Rev. Walter Mitchell of Rancho Santa Fe, an old friend of the bride and bridegroom and former bishop of Arizona.

Attending the couple were Mrs. Forrest Line as matron of honor and Thomas F. Call, as best man. Both are of Los Angeles.

The bride wore a waltz length pale gold silk shantung dress with matching slippers. Her hat was an exquisite Juliet cap of delicate gold flowers with pearls over the apex crown and a circular veil. She carried a white satin prayer book with a spray of pale yellow orchids. The matron of honor wore a sand tone lace dress with the same shade accessories and carried a nosegay bouquet of lavender and yellow flowers.

The bride is a descendant of a pioneer San Francisco family and attended Stanford University. She is assistant heart fund director with the Los Angeles Heart Association.

The bridegroom is a motion picture and television actor known as Gregg Barton. He is from New York and attended the University of North Carolina.

A champagne cocktail reception at Lone Palm hotel followed the ceremony.

Among the wedding guests present were Mrs. Eva Norris of Carlsbad, mother of the bride; Mr. and Mrs. L. F. Head, Mr. and Mrs. Pat O'Dea, Mr. and Mrs. R. F. Graettinger and E. T. Bachold of Palm Springs; Mr. and Mrs. William Kaneen of Long Beach; Bishop and Mrs.

Veterans of Three Wars Making Memorial Poppies

The memorial poppies which will be worn here on Poppy Day, May 27, in honor of America's war dead, have been made by disabled veterans of three wars, two World Wars and the Korean conflict. Mrs. Jay Morrison, Poppy Day chairman of Owen B. Coffman post, 519, American Legion Auxiliary unit, said this week.

The little crepe paper flowers were made at Veterans Administration hospital at Long Beach under direction of the California Department of the Auxiliary.

THE WORK was given to those who could profit from its occupational therapy value and who were in most need of the earnings. Poppies have been made in scores of other veterans hospitals throughout the nation, and in convalescent workrooms maintained by the Auxiliary.

"Some of the men making poppies are World War I veterans of advanced age, who have spent years in the hospitals and are highly skilled

in the work," said Mrs. Morrison. "Others are younger men from World War II, while others are mere boys who received their disabling injuries in Korea. The veterans of the three wars work side by side, helping each other, with older men teaching the less experienced the fine points of poppy making."

POPPIES ARE MADE by veterans who cannot leave their beds. Auxiliary volunteer hospital workers bringing them the materials and taking away the finished poppies. Others sit in wheel chairs at their bedsides, or go to recreation rooms or occupational therapy shops to do the work. For veterans outside the hospitals, yet unable to do regular work, the Auxiliary's poppy workrooms offer opportunity for employment.

"Approximately 12,000 disabled veterans of the three wars have been given employment in the Auxiliary's poppy program this year and the total number of poppies made is expected to exceed 25,000,000."

DAV Officials Installed at Final Session of Season

Dr. James E. Potter was installed as commander of Palm Springs Chapter 66, Disabled American Veterans, as the post met for its final meeting of the current season Monday night.

Other officers installed were Henry H. Menard, senior vice-commander; Dr. Mark Somerby, junior vice-commander; Mark Richards, chaplain; Charles St. George, Officer of the Day; Al E. Hoover, sergeant at arms; Ray Hiller, adjutant.

PAST VICE COMMANDER Emil Knorr, assisted by Joe Ruppert, was the installing officer.

Following the installation delegates and alternates were elected to represent the local Chapter at the 33rd annual state convention at Salinas June 23 to 26.

Delegates named were Dr. Potter, Somerby and Hiller. Alternates are St. George, Knorr and Menard.

DELEGATES to the recent eighth district meeting at Fullerton reported that a district meeting will be held at Palm Springs the first week in December.

Although no meetings will be held by the Chapter until October, medical services will be maintained for any needy disabled veteran during the Summer by Dr. Potter and any housing needs will be handled by Adjutant Hiller. Service Officer Somerby will take care of rehabilitation cases.

THE SAN BERNARDINO rehabilitation center will remain open all Summer it was announced. The local Chapter is now a full member of the two county group which maintains the center and any Villager

wishing to donate discarded clothing or furniture, need only call 2957 for information, said Adjutant Hiller. Or the articles may be left at 444 North Indian avenue.

Unpopular Police Irked by Visitor's Actions

A North Hollywood visitor to the Village was very unpopular with the Palm Springs police department Monday.

Alan Stewart McLaurin, 37, was arrested on a drunkenness charge at 1:10 p.m., after being in the Village about two hours. At the time, he did not know what city he was in, or how he had arrived here, according to arresting officers.

He did not appreciate his stay in the local jail, for when served dinner he smashed the plate and cup against the wall. Officers requested that the damage be added to his fine.

Mrs. Burke Goes East for Summer

Mrs. Anthony Burke left this week, flying to Poughkeepsie New York, where she will visit her father Dr. Bertrand E. Roberts. Her husband will motor East in mid-July to join her and they plan to spend part of their vacation in New Hampshire and travelling through New England visiting her relatives. They will return here in the Fall.

Fiesta Enriches Fund for Boys' Ranch by \$6,000

Mickey Finn Boys Ranch Fiesta held at Howard Manor last month realized more than \$6,000 for the operation of the ranch, it was reported this week.

Co-chairman of the benefit event were Bob Howard, Bob Higgins and George Strebe.

The success of the Fiesta brought about an announcement by Howard that he will turn over his Palm Springs hostelry to the affair on an annual basis.

The money raised enables Finn, an ex-Los Angeles policeman, to continue his vital youth rehabilitation work.

Refrigeration

Easy to Purchase
for Automobiles

John Zimmerman employed by Plaza Motors, distributors of Oldsmobile and Cadillac automobiles, has recently returned from a highly specialized course in automobile refrigeration conducted by General Motors corporation.

Zimmerman who underwent an intensive, advanced course in car refrigeration said upon his return from the GM school that the 1955 automobile refrigerators manufactured by Frigidaire Division of General Motors corporation, are as efficient as those installed in homes.

Ed McCoubrey, distributor of Oldsmobile and Cadillac in the Palm Springs resort area, pointed out that these refrigerating automobile units may be purchased on easy budget terms.

Backstrand Bill for Rain-Making Goes to Senate

A bill to enable formation of precipitation control districts anywhere in California has been approved by the state assembly and sent to the senate. The measure, by Assembly-

man L. M. Backstrand of Riverside, would permit ten percent of the voters in a proposed district to petition boards of supervisors in counties affected for an election on the question of forming a district.

The legislation would permit district directors to levy a property tax not to exceed five mills per \$100 assessed valuation for conducting rainmaking operations.

Photographic Guild Meet to Pick Year's Top Pictures

The last competitive showing of colored slides of the season was held by the Photographic Guild of the Desert Art Center Monday night on the lanai of the home of Dr. Milford Beebe on San Jacinto Way. Approximately sixty-five slides were entered with pictures of the beach at Waikiki, the far east, Capistrano, cactus, desert sunlight landscapes, children at play, a fifty-pound catch of Canadian fish and many pictures of the recent Desert Circus making it the most varied and interesting showing of the year.

Graham Dexter, Al Taylor and Dr. Beebe acted as judges and said it was difficult to pick the top award picture for over a dozen slides ended up in the final showing. The top award winner was a slide by Stanley Ellexson made in the Far East and honorable mentions were given slides made by Ellexson,

and two by Chester Madison. Plans were made for a barbecue at the San Lorenzo hotel, home of Margaret Conley Tuesday evening. Reservations should be made by calling Chairman Peggy Dexter at 7706.

Top slides of the year will be shown in the near future at a meeting to which the public will be invited. The local Photographic Guild is a member of the Photographic Society of America. It was organized 18 months ago to aid in improving the pictures taken by its members. Anyone wishing to join the Guild can do so at the Desert Art Center, 707 North Palm Canyon drive or by contacting any member of the Guild.

When he finishes high school...

this Gas water heater will still be going strong!

Talk about long life in a water heater! The automatic Gas water heater you see in the picture carries the new Verified Long Life seal. It's your assurance that the water heater measures up to top-quality standards.

For one thing, these Gas water heaters are made of heavy gauge steel lined with glass or are made of copper. That's your assurance of extra long life.

So take this suggestion. When you buy a new automatic Gas water heater, look for the Verified Long Life seal. You'll be sure of a top-quality appliance... one that will give you years and years of carefree hot-water service. And, remember, this seal is to be found only on automatic Gas water heaters. See your neighborhood plumber for details.

Have you added appliances recently?

If you've added—or are planning to add—those wonderful new conveniences such as automatic clothes washers and dish washers, remember: they like lots of quick hot water. You'll enjoy them most if your automatic Gas water heater is the right size for your needs.

Certified Mail to be inaugurated in City June 1

Certified mail will be available at Palm Springs post office June 1, Merritt Williams, postmaster said Monday.

Certified mail provides proof of delivery. Regular registered mail will be restricted to the purpose for which it was intended—to safeguard items of value sent through the postal service. Fees for registered mail will start at 40 cents when the certified mail service is put into operation.

Certified mail is primarily intended for items of no intrinsic value but on which the sender may want proof of delivery.

Freeway Route at Beaumont to be Topic June 2

Two routes for a proposed freeway through Beaumont to bypass the downtown section will be considered at a meeting there June 2, Clyde V. Kane, district highway engineer, said this week.

Both will tie in with the present four-lane highway east and west of Beaumont.

Upon completion, the new route will further speed traffic between Palm Springs and coastal points.

There are times when silence is the best way to yell at the state's driver.—O. A. Battista.

Marine Base

Will Host Open House Tomorrow

The newest weapons for defense will be on display tomorrow when the Twenty-ninth Marine U. S. Marine Center will host an Open House in honor of Armed Forces Day.

Guided tours of the Center's facilities are also on the program. Included in the Open House program will be visits to Marine chapels, mess halls, barracks and medical facilities.

Col. J. S. Oldfield, commanding officer, extended an invitation to all to attend. Hours are from 9 a.m. to 3 p.m.

Hines of S.P. to Leave for Tahoe

Southern Pacific passenger agent, Dale Hines, said Tuesday he will leave for Lake Tahoe tomorrow where he will again be in charge of the company's office in that area during June, July and August.

Ticket Agent R. J. Samsel will keep the Palm Springs city ticket office open until June 30 when the office will be closed until September 1. During July and August all passenger service will be handled by the Palm Springs depot.

HUB CAP STOLEN

Theft of a hub cap from his car was reported to police Sunday by Ralph Weinstein, 388 Mel avenue.

DESERT HOT SPRINGS

By DONALD LARSEN

Bet Addington was hostess for the women who served as Art Tea hostesses during the Winter season at Addington's Gallery. Twenty-two of them gathered for lunch at Addington's Saturday afternoon. Tribute was paid Mrs. Addington for the fine teas held the first Sunday of each month preceding the showing of a professional artist's work.

Seen having lunch Monday at the Biltmore Broiler was Aladdin of the Lawrence Welk orchestra. Aladdin, a familiar figure on the Welk TV shows, visited Desert Hot Springs with his wife, Louise, and friends, Jack and Mary Laipple of Van Nuys.

Sophie Sturdevant of Estrella street is back in town after an extended visit in Los Angeles.

Desert Hot Springs Rotary Club will install new officers tonight at Desert Air hotel. Ex-president Lloyd Gibbs of San Diego will act as master of ceremonies. New officers to be installed include: Dr. Leroy Stewart, president; Herb Seales, vice-president; Joe Kanya, secretary-treasurer. Board members include: John Keil, Don Rorschach, Charles Sakin, Gilbert Holloway, Everett Sherman and Elmer Reiber.

Directors of the Desert Hot Springs Chamber of Commerce voted last week to move the Chamber office to the Sentinel office. A nominating committee composed of Horace Brown, Joe Merrick, Leroy Pedersen, and Herb Rorschach, was chosen by the board following a chance in the by-laws to terminate the terms of six directors July 1 instead of December 31. Directors scheduled to seek re-election or retire are president G. H. Holloway, Sam Benton, John Keil, Abe Santolite, Herb Seales and George Cross.

A V.C.C. Hospital Auxiliary members pledged themselves at their meeting last Tuesday night to supply the office personnel during the hours of 10 a.m. to 3 p.m. for the new office of the Angel View Crippled Children's Hospital Foundation located at 66-199 Persimmon Blvd.

Wednesday night, the Auxiliary hosted the women to a "Zany Swimming Suit Party" at the Tamarix pool on 66-185 Acacia street. The festivities were enjoyed by a large group. Albertina Thies of Albertina's Above on Acacia street leaves June 1 for a trip to Alaska. She will return in October.

Chairman Blanche Pedersen served lunch last week at the Rotary. Ann committee planning for a party for Rotary on June 5, Jan Stewart, Barbara Reiber, Lois Sakin, Enola Hulbert and Mrs. Pedersen presented ideas for the party to be held at Hulbert's "Breezy Acres" ranch.

Police Chief August G. Kettmann left Wednesday for Stockton where he will attend the annual conference of the California State Peace Officers association Thursday through Saturday.

While there, he will participate in three panel discussions. Representatives of police departments from throughout the state will be in attendance.

Chief Kettmann at Convention

Lilly Simmons, 45, 278 Cedar street, was arrested on a charge of drunkenness by Palm Springs police Sunday evening following an accident in which she was involved as a pedestrian.

Frederick Kleinschmidt, Los Angeles, told officers she was driving east on Highway 111 about 9 p.m., when he observed a pedestrian walking along the center line of the highway coming directly at his car. He applied the brakes and lost control of the vehicle in his attempt to miss the pedestrian.

The car came to rest off the highway, with its rear wheels keeping it from falling down an embankment.

Staples Elected Head of Desert Bar Association

Alexander W. Staples of Indio was elected president of the Desert Bar association at the annual meeting of the organization held here Saturday.

David M. McGahey of Palm Springs was elected vice-president and Saul Ruskin, also of Palm Springs, secretary-treasurer.

Other members of the board are Judge Eugene E. Theriau, Palm Springs, Judge Wallace P. Raube, Indio, C. F. Wolpert, Indio, and Warren E. Slaughter, Palm Springs.

Retiring officers are Warren E. Slaughter, president; Alexander W. Staples, vice-president; David M. McGahey, secretary-treasurer.

Board of trustees also considered applications for membership and approved the following: George T. Altman, Beverly Hills and Palm Springs, Henry W. Cleary, Palm Springs, and Thurman Arnold, Jr., Palm Springs.

Harry Whitney is Laid to Rest

Funeral services were held Saturday at Encinitas for Harry Whitney who died at the age of 60 at his home in Rancho Santa Fe after a heart attack last Thursday.

Mr. Whitney was well known in the Village as he and his wife, Dorothy, spent many winters at the home of Mrs. Whitney's parents, Mr. and Mrs. John S. Jenkins.

Mr. Whitney was vice-president in charge of sales and advertising for Nicholson File company of Providence, R. I., for many years. Two years ago he retired and bought a home at Rancho Santa Fe.

New Suit Seeks to Knock Out 2 Annexation Acts

John Averna and Harlan D. Ellmaker, who are challenging the city's northwest territory annexation, have filed an amended complaint in superior court in Indio, attacking both Ordinance 284 and 290, City Attorney Jerry Bunker was notified Friday.

Ordinance 284 was adopted as an emergency measure, with 290 being enacted as a regular measure by city council.

Bunker will answer the amended complaint this week. In the action, 11 reasons were given why the annexation should be declared invalid. One of the leading reasons cited previously was that the city drew the annexation lines to leave out registered voters so as to avoid having an election on the question.

Attorneys for Averna and Ellmaker are Joseph A. Lazaroni and E. W. Cunningham of Los Angeles.

ATTENDS LAST RITES

Miss Gertrude E. Hunt of the Village, went to Rancho Santa Fe Saturday to attend the last rites for Mr. Harry Whitney, well known Palm Springs visitor.

Fadden to Publish Guide All Summer

The Palm Springs Guide will be published all summer. Owner Bill Fadden announced this week.

Its publication will aid in the publicity campaign being conducted by the Desert Sun, Chamber of Commerce, The Villager and radio stations in promotion of summer attractions of Palm Springs to the tourist.

Carnation Corner

Now starts that fun-time of year when it's always open house at your house. People just dropping in to say hello, or gala parties for brides and graduates. Do rely on Carnation Marbled Mint Fudge Ice Cream to make the occasion a memorable one. For here in Marbled Mint Fudge is rich, refreshing flavor everyone loves. Rich in the heavy fudge sauce Carnation makes from finest Dutch Process Cocoa. Refreshing in the tangy mint-flavored ice cream Carnation makes with special non-alcoholic crème de menthe.

ENTERTAINING MADE EASY

All you do is serve Carnation Marbled Mint Fudge Ice Cream with un-iced cake...à la mode, or on the side.

Sauces give a great deal of variety to Marbled Mint Fudge, too. One of my favorites is:

Crunchy Chocolate Sauce
(makes 1 1/2 cups sauce)

1 cup (6-oz. package) semi-sweet chocolate pieces
1/4 cup crunch-style peanut butter
1/2 cup Carnation Homogenized Milk

Melt chocolate pieces in top of double boiler over hot water, or in saucepan over low heat. Stir in peanut butter and milk; blend until smooth. Remove from heat and serve warm or chilled over Marbled Mint Fudge Ice Cream.

IT'LL NEVER LAST!

I always thought gingerbread was as American as the Fourth of July. But just the other day I read that gingerbread is actually the oldest of all sweet cakes. It was "invented" by an unknown Greek on the Island of Rhodes in the Mediterranean. This novel, newfangled dessert became an instant hit. When did all this happen? Oh, about 4,000 years ago!

HINT FOR HOSTESSES (clever ones)

When you're entertaining a big crowd outdoors this summer, here's how to "lock" two or more card tables together: set adjacent pairs of legs in high tin cans. Use cans that fit the legs snugly.

NEW IDEA!

Now you can buy delicious Carnation Popsicles in handy, take-home packs of twelve! And also those wonderful Carnation Creamy Crunch Ice Cream Bars rolled in chocolate-malted milk "crunch." Just store in your freezer, or freezing compartment of your refrigerator. So convenient and money-saving. Perfect to have on hand, along with frozen dinners and all your other frozen foods!

One of the Great Steps of His Life!

When a man takes possession of his first Cadillac, many wonderful things happen to him.

First of all, of course, is the great "lift" he gets from the car itself. When he settles down behind the wheel, turns the ignition key and starts for home—well, it's a great life, and no fooling!

There's a wholly new feeling of security. Weight and size and strength are all about him. There's a new sense of mastery over the car. The response of the engine—the action of the brakes—the easy feel of the wheel . . . everything gives him a feeling of confidence he never knew in a motor car before.

And, of course, he can't help noting the quick glances of approval he gets from other motorists. Quite a change from yesterday, when he himself was stealing glances at the people in Cadillacs!

And so it goes on that first wonderful ride—with a new thrill every minute—until the car turns into the driveway. And then comes the greatest thrill of

all—the wild and enthusiastic approval of that little group whose welfare is his constant inspiration.

Don't worry about dinner tonight—let's go for a ride!

This is only the beginning, of course. Every day and month and year adds to the satisfaction. There's the joy of the first cross-country trip; the pride from that first matching of gasoline and mileage; and the constant proof that the dream he dreamed is in almost everybody's heart.

Yes, when a man steps into his first Cadillac, he takes one of the great steps of his life.

And it's a much, much easier step to take than most people realize. The cost of a Cadillac is remarkably low. And once you own it . . . well, many contend that it is as economical, over the years, as any car you could buy.

Better come in and see us soon. We'll give you a ride that will thrill you—and some facts and figures that may amaze you. Why not make it today?
